- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill creates a new Department of Health and Human Services by merging the Department of Health into the Department of Human Services.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

This bill is not expected to have a fiscal impact for the 2021-23 biennium as the budgets for the two agencies would be combined into a single budget for the new Department of Health and Human Services. Section 510 provides legislative intent that the executive director of the Department of Human Services review and reorganize the agency structure to incorporate the former state Department of Health and to find efficiencies in the newly formed Department of Health and Human Services. If the new structure results in efficiencies, it is possible some reduced spending could be realized during the 2021-23 biennium. If long-term savings are identified, they would be reflected in the budget for the 2023-25 biennium.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*
