- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

HB 1087 would allow companies to take the assessment created by the bill as a premium tax credit, but limited to the amount of premium tax due.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The amounts assessed to insurers as a result of HB 1087 would reduce premium tax revenue in the year paid, limited by the amount of premium tax due.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The actuarial study done indicated the amounts needed to fund the invisible reinsurance pool. These amounts were allocated in accordance with the bill, in proportion to projected premiums written, and limited to estimated premium tax due.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

The expenditures cover the federal pass-through funding received under our approved 1332 wavier.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.*

The appropriation would come out of special funds already in possession of the reinsurance association of North Dakota.
