

**JOURNAL OF THE SENATE****Sixty-seventh Legislative Assembly**

\* \* \* \* \*

**POSTSESSION ACTIONS****COMMUNICATION FROM GOVERNOR DOUG BURGUM**

This is to inform you that on April 30, 2021, I have signed the following: SB 2011, SB 2014, SB 2020, SB 2145, SB 2245, and SB 2256.

**COMMUNICATION FROM GOVERNOR DOUG BURGUM**

This is to inform you that on May 7, 2021, I have signed the following: SB 2004 and SB 2021.

**COMMUNICATION FROM GOVERNOR DOUG BURGUM**

Pursuant to Article V, Section 9 of the North Dakota Constitution, I have signed Senate Bill 2030 - the higher education challenge grant bill - and filed it with the Secretary of State. I also have vetoed Section 5 of SB 2030, relating to multimillion-dollar penalties directed toward our public higher education institutions and mandatory criminal charges against state employees.

Signing SB 2030 approves the appropriation of \$11,150,000 within Section 1 for the successful challenge grant program. This program provides \$1 of state match funding for every \$2 in private funding raised by our 11 publicly funded colleges and universities for student scholarships and the advancement of academics. This significant appropriation has the potential to generate over \$33 million for aspiring students and institutions over the next two years.

North Dakota has strong pro-life public policies, and our administration has a strong record of signing pro-life legislation into law.

Sections 2 and 4 of SB 2030 affirm existing pro-life state policy from 2011 which states, "An agency of the state may not fund, endorse, or support any program that, between normal childbirth and abortion, does not give preference, encouragement, and support to normal childbirth." These sections also add clarity into law that unless institutions abide by the pro-life policies, they are ineligible to receive any challenge grant dollars.

The North Dakota legislature has made clear, and our administration agrees, that taxpayer funding should not go toward funding abortions. Challenge grant dollars have not, and cannot, be used for that purpose.

Section 3 clarifies that the allocation of challenge grants now includes a separate allocation for the UND School of Medicine and Health Sciences.

Signing the bill enacts Sections 1, 2, 3 and 4 into law.

However, the penalty provision of SB 2030, in Section 5, which was amended into the challenge grant bill, is problematic for multiple reasons and has been vetoed.

Section 5 threatens a \$2,800,000 penalty on each of our institutions of higher education that is void of due process and egregious in its amount, threatens mandatory criminal charges for state employees, and may be in direct conflict with House Bill 1503.

Known as the campus free speech bill, HB 1503 reinforces and strengthens First Amendment rights on college campuses and was passed by a significant majority of the legislature and signed into law on April 19, 2021. With Section 5 of SB 2030 vetoed, institutions will not be forced to choose between protecting First Amendment rights and facing severe penalties.

Further, the penalty in Section 5 is imposed without due process. The State Board of Higher Education is simply instructed to deduct the \$2.8 million without providing the institution with

formal notice, an opportunity for hearing, or a determination by an objective fact finder.

The \$2.8 million fixed penalty also would disproportionately affect the university system's smaller institutions, representing an average of 15.3% of the total funding formula appropriation for the 2021-2023 biennium at nine of the system's 11 institutions.

Although Section 5 creates an appropriate and needed exception for the UND School of Medicine and Health Sciences, it fails to include the same needed exception for the NDSU College of Health Professionals, which includes North Dakota's only school of pharmacy.

Lastly, should a state employee signing a contract unknowingly run afoul of Section 5, the bill mandates that the state's attorney "shall prosecute" the individual for a criminal charge punishable by 30 days in jail and a \$1,500 fine. This overreach removes prosecutorial discretion. Not surprisingly, leaders of our higher education institutions have shared that their faculty, researchers and grant officers are unwilling to take such a personal risk, thereby jeopardizing hundreds of millions of dollars in research funding and putting jobs, careers and faculty recruitment at severe risk across our university system.

For the reasons explained herein, I have vetoed highly problematic Section 5 and filed the signed Senate Bill 2030 with the Secretary of State, with the remaining sections that preserve the challenge grant program and affirm North Dakota's pro-life policies.

#### **COMMUNICATION FROM GOVERNOR DOUG BURGUM**

This is to inform you that on May 10, 2021, I have signed the following: SB 2018.

#### **LIST OF CORRECTIONS AND REVISIONS OF THE SENATE JOURNAL**
