MOTION

THE SENATE RECONVENED pursuant to recess taken, with President Sanford presiding.

VETO MEASURE

Dear President Sanford:

Pursuant to Article V, Section 9 of the North Dakota Constitution, I have vetoed Senate Bill 2290 and return it to the Senate unsigned.

Three years ago, the North Dakota Supreme Court affirmed the separation of powers and resolved a dispute between the legislature and executive branches in North Dakota Legislative Assembly v. Burgum, 2018 ND 189, 916 N.W.2d 83. In this opinion, the Court held the State Legislature "may not delegate to another body the power to make law - to legislate." The Constitution grants the Legislature the authority to create law and appropriate funds. These duties cannot be delegated to a subset of legislators, such as the Budget Section, comprised of 42 of the legislature's 141 members.

Senate Bill 2290 not only ignore the holding of Assembly v. Burgum, it attempts to expand the Budget Section's authority, allowing it to reject an Emergency Commission approval and issue a revised decision. SB 2290 states any changes made by the budget section are "deemed to be approve by the emergency commission." The power to reject an Emergency Commission decision "with out the further action of the passage by both houses of the Legislature and signing by the Governor" violates the separation of powers doctrine and is an unconstitutional exercise of authority. 2007 N.D. Op. Atty. Gen. No. L-08.

Senate Bill 2290 also creates operational issues between sessions for state government by limiting the aggregate amount of approvals each biennium by the Emergency Commission to \$50 million.

The total state biennial budget is over \$14 billion, including general, special, and general funds. Once percent of this budget would be over \$140 million. SB 2290 has a cap of \$50 million per biennium that can be approved by the Emergency Commission and Budget Section, and amounts greater than this would require the governor to call a special session. The cap is set so low that even a variance of less than 1/2 of one percent over the two-year budget cycle would trigger the need for a special session.

Special sessions are for addressing special circumstances as they arise, not for receiving incremental amounts of federal dollars in the normal execution of state business.

North Dakota has received approximately \$1.25 billion in CARES Act funding in the last year. Receipt and disbursement of these funds was handled through requests to the Emergency Commission. This long-established framework worked well to quickly distribute aid for COVID-19 relief for citizens, businesses, education and health care, within the designated federal guidelines under the Coronavirus Relief Fund rules.

North Dakota stands to receive additional federal funds under President Biden's "American Rescue Plan." Coronavirus Relief Fund and American Rescue Plan dollars are specifically referenced in a number of 2021-2023 appropriations bills.

The significant expansion of powers in Senate Bill 2290 clearly violates the separation of powers doctrine and attempts, via an unconstitutional \$50 million trigger, to force the Governor to call a special session to authorize expenditures of known or foreseeable federal funds. It may further result in the Legislative Assembly circumventing its constitutionally authorized 80-day limit per biennium.

For the reasons explained herein, i return Senate Bill 2290 to the Senate, unsigned.

Regards,

Doug Burgum

Governor

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 54-27.2 of the North Dakota Century Code is created and enacted as follows:

Certain general fund revenues to be deposited in the income tax rate reduction fund.

After any required transfers from the general fund to the budget stabilization fund under section 54-27.2-02, the office of management and budget shall certify to the state treasurer the ending fund balance of the state general fund and if the amount in the general fund exceeds sixty-five million dollars at the end of the biennium, also shall certify the amount to be transferred to the income tax rate reduction fund. The state treasurer shall transfer the excess over sixty-five million dollars up to one hundred fifty million dollars from the general fund to the income rate reduction fund under section 2 of this Act.

SECTION 2. A new section to chapter 57-01 of the North Dakota Century Code is created and enacted as follows:

Income tax rate reduction fund - Income tax rate adjustment - Tax commissioner - Transfer.

1. There is created in the state treasury the income tax rate reduction fund. The fund consists of all moneys deposited in the fund under section 1 of this Act.
2. If money is transferred into the income tax rate reduction fund under section 1 of this Act and the balance in the fund is over fifty million dollars, the tax commissioner shall publish reduced individual and corporate income tax rates and notify taxpayers of the reduced rates by November first of the first fiscal year of the biennium.  - c. The reductions to the individual income tax rates and the corporate income tax rates must be proportional to the estimated tax collections for each tax relative to the combined total estimated tax collections for both taxes.
 - d. The reductions to the individual income tax rates and corporate income tax rates must be applied equally to all tax brackets for each tax.
 - e. The reduced individual income tax rates and corporate income tax rates must be rounded to the nearest one-hundredth of a percent.

 - g. "Estimated tax collections" means the income tax collection amounts included in the revenue forecast of the current biennial state budget as approved by the most recently adjourned special or regular session of the legislative assembly.
3. If the income tax rate reduction results in a disproportionate amount of tax to be deducted and withheld under section 57-38-59, the tax commissioner may adjust the percentage that, when withheld, will as closely as possible pay the income tax liability imposed.
4. This section does not limit or suspend any provision in chapter 57-38 which is not in conflict with this section, including provisions for assessment and refund under sections 57-38-34.4, 57-38-38, and 57-38-40.
5. In April of the first fiscal year of the biennium, if a rate reduction is made under subsection 2, the state treasurer shall transfer the amounts certified by the tax commissioner from the income tax rate reduction fund to the general fund.

¹ Funding is adjusted to provide salary increases of 1.5 percent on July 1, 2021, with a minimum monthly increase of \$100, and 2 percent on July 1, 2022, the same as the Senate. The House provided salary adjustments of 1.5 percent on July 1, 2021, and July 1, 2022, with a minimum monthly increase of \$100 and a maximum monthly increase of \$250.

² Funding of \$75,000 from the general fund is restored for salaries and wages and other funds are increased by \$75,000 relating to the self-funding of the agency. The House had reduced funding from the general fund by \$700,000 and added funding from revenues deposited in the Public Service Commission program fund by \$550,000. The Senate restored \$300,000 from the general fund and reduced other funds by \$150,000.

³ In addition to \$167,548 of federal funds provided by the House, matching funds from the general fund are added for the reclassification of an unfunded administrative support FTE position to a natural gas pipeline inspector position (\$132,547) and related operating expenses (\$35,000), the same as the Senate version. The House had provided funding from federal funds for the reclassification for the natural gas pipeline inspector position (\$132,548) and related operating expenses (\$35,000).

This amendment also:

- Provides the statutory changes to increase the salary of the Public Service Commissioners. The Public Service Commissioners' annual salary would increase from the current level of \$113,600 to \$115,304, effective July 1, 2021, and to \$117,610, effective July 1, 2022, to reflect the 1.5 percent and 2 percent salary increase respectively, the same as the Senate. The House provided for a 1.5 percent annual salary increase.
- Amends North Dakota Century Code Section 57-43.2-19 relating to the distribution of funds in the highway tax distribution fund to continue the allocation to the rail safety fund and to increase the allocation amount from \$294,509 per year to \$297,362 per year and adds an expiration date of June 30, 2025. The Senate had removed the expiration date. The House provided \$296,813 per year and provided an expiration date for the allocation.
- Changes the public utilities assessments maximum from \$225,000 to \$300,000. Both the Senate and the House included an assessment maximum of \$225,000.
- Declares Sections 4, 7, 8, and 12 to be an emergency relating to the deposit of certain revenues in the Public Service Commission program fund rather than the general fund. Neither the Senate nor the House included an emergency clause. This change will result in an estimated reduction to 2019-21 biennium general fund

revenues of \$12,000.

Engrossed HB 1008 was placed on the Seventh order of business on the calendar.

The Senate stood adjourned pursuant to Senator Klein's motion.
