Energy and Natural Resources Committee

(At the request of the State Water Commission)

- 1 A BILL for an Act to amend and reenact section 61-03-21 of the North Dakota Century Code,
- 2 relating to the state engineer's authority to require operating plans for dams.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 4 **SECTION 1. AMENDMENT.** Section 61-03-21 of the North Dakota Century Code is amended and reenacted as follows:
- 6 61-03-21. State engineer may require plan of operation Adequate structure.
 - Every operator of a water storage reservoir operator in North Dakota having a capacity of more than one thousand acre-feet [1233481.84 cubic meters] shall annually, between the first and fifteenth day of February, file with the state engineer an operating plan for such reservoir for the calendar year in which the same is filed. The operator of any such reservoir shall be required to shall cooperate with the state engineer to the end that all water releases shall will be compatible with the best interest of the greatest number of downstream water users and affected landowners. In the event that the state engineer declares an emergency to exist inconnection with the operation of any such reservoir, the operator thereof shall promptly submitto the state engineer a separate interim operating plan therefor in addition to the annual reservoir operating plan herein required. Such interim operating plan shall then be coordinated and integrated with the suggestions and plans of the state engineer to best serve the affected interests during such emergency. The state engineer may also require suchthe operators to maintain adequate structures and to operate themthe structures in a manner that will prevent waste, promote the beneficial use of water, and not endanger the general health and welfare of affected persons affected thereby. In the event such operator fails to maintain and operateadequate structures in the manner provided in this section, the state engineer shall set a placeand time for hearing and shall serve notice upon such operator to show cause at such time and place why the operator's water permit should not be declared terminated and canceled. A copy-

Sixty-seventh Legislative Assembly

- 1 of any order terminating or canceling such water right shall be filed in the office of the recorder-
- 2 in the county or counties where the land to which the right is appurtenant is located. An appeal-
- 3 may be taken from the decision of the state engineer in accordance with the provisions of
- 4 chapter 28-32.
