Between January 1, 2012, and March 31, 2012, each district established by subsection 2 of section 4.1-11-02 shall elect an individual to serve as a council member with a term beginning April 1, 2012. 5. An elected member of the council may not serve more than two consecutive terms.

6. If an individual is appointed to complete a vacancy, that service is not counted as a term for purposes of this section unless the duration of that service exceeds one year.

1. Before January first, the council shall identify each district represented by a council member whose term is about to expire and notify the extension agent for each county in that member's district that an election to select a county representative must occur before March first.
