### **25-07-04. Qualifications for admission to school for the deaf - Residents of state entitled to free education.**

1. A child who is a resident of this state and who, because of deafness or a hearing impairment, is unable to receive an education in the public schools, is entitled to attend the school for the deaf at the expense of the state. A child is entitled to attend the school at any age up to twenty-one.
2. The school for the deaf shall provide application forms upon request. A child may not be admitted to the school until the child's application is completed and approved.
3. The school for the deaf shall provide transportation to any child who has been admitted, in accordance with the child's individual education plan.
4. Any child who is a resident of this state and who is deaf or hearing impaired is entitled to receive special education and related services in accordance with the child's individual education program. Each individual education program must address the child's academic, recreational, and leisure needs, as well as the acquisition of independent living skills and career and technical education opportunities.

### **25-07-05. Admission of nonresidents.**

A child who is deaf or hearing-impaired but who is not a resident of this state may be admitted to the school for the deaf, provided the annual cost of the child's education, as determined by the superintendent of public instruction, is paid on behalf of the child in advance of the child's admission and on a yearly basis thereafter. The school may not admit a child who is not a resident of this state to the exclusion of a child who is a resident of this state.

**25-07-06. Instruction at school for the deaf.**

The superintendent of the school for the deaf shall provide special education and related services designed to meet the unique needs of each child who is deaf or hearing impaired, in accordance with the child's individual education program.
