2. If the electors of the city have approved a public recreation system, the governing body of the city may provide funding for the recreation system from revenues derived from its general fund levy authority in an amount not exceeding the revenue derived from a levy of two and five-tenths mills per dollar of taxable valuation of property within the city.

3. A school district or park district may provide funding from revenues derived from its general fund levy authority for the establishment, maintenance, and conduct of a public recreation system.

**40-55-09. Voter-approved levy authority for city public recreation system.**

1. The ballot measure question to approve a levy under this section must be stated to ask if the elector approves a voter-approved tax by the city for a public recreation system in a stated number of mills, not exceeding six mills. If approved by a majority of city electors voting on the question, the city may levy an additional tax within the limitation of subsection 13 of section 57-15-10. After January 1, 2015, approval or reauthorization by electors of voter-approved levy authority under this section may not be effective for more than ten taxable years. Any voter-approved levy under this section or section 40-55-08 approved by the electors of a city before January 1, 2015, remains effective for ten taxable years or the period of time for which it was approved by the electors after it was approved, whichever is less, under the provisions of law in effect at the time it was approved. The governing body of the city shall discontinue the levy for public recreation purposes if the qualified voters, at a regular or special election, by a majority vote on the proposition, decide to discontinue the levy. A vote of the qualified electors is not required to discontinue the levy under this section if the levy authority is no longer required as a result of a merger between a park district and a city public recreation system.
2. A vote that occurred pursuant to subsection 1 before a city public recreation system and a park district merged pursuant to subsection 2 of section 57-15-12 is no longer valid to authorize levying mills for a city public recreation system.
