4. For searching records and archives of the state, five dollars. For the purposes of this section, a search of records conducted by the secretary of state for which a fee must be collected includes the following:
 - a. A search of a filed document that is active or archived, an archived index, or an index of business name changes to identify specific information to satisfy a request;
 - b. A search of any record for which written verification of the facts of the search is required; and
 - c. For every search of records when the request for the search is contained in a list compiled by the requester.

The secretary of state may return to the last-known address of the filer any record or document that was attempted to be filed or may retain as unfiled the record or document for a reasonable time to permit proper payment and filing.

Service on the secretary of state must be made as provided in section 10-01.1-13. Except as otherwise provided by law, if the secretary of state is appointed as agent for service of process for any individual under any provision of this code, then service on the secretary of state and the responsibilities of the secretary of state with respect to the service shall be made or executed in the manner provided in section 10-01.1-13, to the extent practicable.

At the close of each biennium, the secretary of state shall transfer any unobligated balance remaining in the fund exceeding seventy-five thousand dollars to the general fund.

1. The secretary of state shall maintain a computerized central indexing system that contains the information filed pursuant to sections 35-13-02, 35-17-04, 35-20-16, 35-30-02, 35-31-02, 35-34-04, 35-34-06, 41-09-72, 57-38-49, 57-39.2-13, 57-40.2-16, 57-40.3-07.1, 57-43.1-17.4, 57-43.2-16.3, and 57-51-11. The system must allow access to financing statement information by equipment that conforms to requirements determined by the information technology department. The system must have safeguards to allow access to information that is in the system relating to security interests or liens and to prevent unauthorized alteration or deletion of that information and to allow access to other information in the system as prescribed by the secretary of state.
2. Within two working days of receipt of a financing statement, continuation statement, amendment, or termination statement filed electronically pursuant to chapter 41-09 or a statement filed electronically pursuant to section 35-13-02, 35-17-04, 35-20-16, 35-30-02, or 35-31-02, the information contained in the statement must be filed in the computerized central indexing system. A computer printout of information from the system is prima facie evidence of the existence or nonexistence of the filing of a financing statement or lien. The secretary of state shall provide an electronic means

that can be used to perfect a security interest in farm products or gain protection under the central notice system, or both.

3. The secretary of state may adopt rules necessary to implement this section and sections 54-09-10 and 54-09-11.

54-09-10. Secretary of state to compile lists for crops and livestock - Distribution of lists.

The secretary of state shall also include on the lists the information filed for crops and livestock pursuant to sections 35-17-04, 35-30-02, and 35-31-02. The lists must be in alphabetical order according to the last name of, or in numerical order according to the social security number of, the person engaged in farming operations. The lists may be prepared in categories according to county, regions as designated by the secretary of state, or on a statewide basis. If requested, the lists must be in printed form. Each list must conspicuously note the effective date of the list.
2. The secretary of state shall distribute by mail or deliver electronically the lists prepared pursuant to subsection 1. If requested, the secretary of state shall mail or deliver electronically the lists to any person making a request at a fee as provided in section 54-09-11.
3. Upon a verbal request of any person, the secretary of state or a designee of the secretary of state shall verbally provide information contained on a list generated through the computerized central indexing system if the collateral is crops or livestock. The requesting party may request electronically a certificate from the central indexing system to confirm the information given. Direct computer access is equivalent to oral confirmation, and a computer printout constitutes the written confirmation of the secretary of state, if use of this method of confirmation does not cause the central indexing system to lose federal certification. A computer printout from the computerized central indexing system constitutes the certificate of the secretary of state as to whether there is on file, on the date and hour stated on the computer printout, a financing statement.

54-09-11. Fees.

1. The secretary of state shall establish fees for any programming charges specifically incurred to provide information requested by persons which is related to the central indexing system and for other services provided through the computerized system.

3. The secretary of state shall establish the fee for furnishing lists from the central indexing system based on actual costs to produce the lists for distribution.
4. Fees collected by the secretary of state under this section, under subsection 4 of section 41-09-94, and subsection 5 of section 41-09-96, and ten dollars from each filing entered into the central indexing system must be deposited in the secretary of state's general services operating fund. Fees collected by the secretary of state under this section must be used for the programming and maintenance of the central indexing system.
5. The secretary of state shall pay ten dollars to the county recorder of the county of residence for the first debtor listed on each statement filed pursuant to section 35-13-02, 35-17-04, 35-20-16, 35-30-02, 35-31-02, or 41-09-72. The payment must be made monthly from the general fund in the state treasury.

54-09-12. Confidential information in filed records.

1. A social security number or federal tax identification number disclosed or contained in any record filed with the secretary of state is confidential. However, a social security number or federal tax identification number may be released as authorized in this section or by other state or federal law.
2. The secretary of state shall delete or obscure a social security or federal tax identification number before a copy of any record is released to the public. The secretary of state, or an employee, agent, or contractor of the secretary of state's office, may not be held civilly or criminally liable for the inadvertent disclosure of a social security or federal tax identification number if the filer has placed the number in an improper field on the form prescribed by the secretary of state or the filer submitted a filing other than on the form prescribed by the secretary of state.
3. The secretary of state or an employee, agent, or contractor of the secretary of state's office may release a social security number or federal tax identification number to another public entity or the public entity's agents, employees, or contractors if disclosure is necessary for the receiving public entity to perform the receiving public entity's duties and responsibilities. The receiving public entity and the receiving public entity's agents, employees, and contractors shall maintain the confidential status of the social security number or federal tax identification number.

54-09-13. Role of secretary of state in filing signed documents and records.

Whenever any provision of law requires or permits a signed document or record to be filed with the secretary of state, the provision may not be construed to require the secretary of state to make any determination the signed document or record filed or to be filed has been properly signed or executed by or on behalf of the filer.

54-09-14. Filing signed documents and records with the secretary of state - Use of agent.

1. A person who signs a document submitted to the secretary of state without authority to sign that document or who signs the document knowing the document is false in any material respect is subject to the penalties of perjury or false statement set forth in chapter 12.1-11.

The signing party must indicate on the application that the person is acting as the agent of the person whose signature would be required and that the person has been authorized to sign on behalf of the applicant. The name of the person signing, entered on the online application, constitutes a valid signature by such an agent.
