State of North Dakota  
Final Budget Status Report  
Appropriations by Department  
As of May 19, 2003

**NOTES**

**2003-05 Executive Budget**

The estimated income shown for the 2003-05 executive budget recommendation includes funding of \$105,326 for an energy improvement project at the Department of Corrections and Rehabilitation inadvertently included in the executive budget recommendation for the Department of Corrections and Rehabilitation and the North Dakota University System office. Therefore, the estimated income and total funds appropriations for the 2003-05 executive budget recommendation has been inadvertently overstated by \$105,326.

**2003-05 Current Budget Status**

The budget status amounts do not reflect the impact of House Bill No. 1441 which allows the state to use general fund money to purchase oil put options. The Tax Department has indicated that the fiscal impact is indeterminable.
