<b>Total</b>	<u>(1.75)</u>	<u>\$0</u>
	<u>(\$3,222,464)</u>	<u>(\$3,222,464)</u>

**FTE Changes**

The Legislative Assembly included funding for 171.87 FTE positions, the same as the 2011-13 biennium. The Legislative Assembly removed 1.75 FTE positions included in the executive budget recommendation for various campus initiatives. Pursuant to Section 36 of Senate Bill No. 2003, the State Board of Higher Education is authorized to adjust FTE positions as needed for institutions of higher education. Any FTE position adjustments must be reported to the Office of Management and Budget prior to submission of the 2015-17 budget request.

**One-Time Funding**

In Section 2 of Senate Bill No. 2003, the Legislative Assembly identified \$223,358,169 of funding from the general fund as one-time funding for the North Dakota University System. Of this amount, \$8,085,879 is for Old Main building renovation at the State College of Science. This amount is not to be considered part of the institution's base budget for the 2015-17 biennium, and the institution is to report to the Appropriations Committees of the 64<sup>th</sup> Legislative Assembly on the use of this funding.

**Other Income Appropriation**

Section 34 of Senate Bill No. 2003 appropriates on a continuing basis all other funds, including tuition income, received by the institutions of higher education during the 2013-15 biennium. As a result, the legislative appropriations for higher education institutions do not include a specific appropriation of other funds, except for capital projects.

**Capital Projects**

The Legislative Assembly reduced general fund appropriations for University System capital projects included in the executive budget recommendation by 5 percent. The appropriation for the University System office includes \$5,483,413 from the general fund for a capital projects contingency pool that may be transferred to institutions if the lowest acceptable bid for a project exceeds the legislative appropriation for the project. Section 24 of Senate Bill No. 2003 provides guidelines for the use of funding from the capital projects contingency pool. Section 25 of Senate Bill No. 2003 provides each capital project authorized by the State Board of Higher Education must have adequate project management oversight by either an institution official or a representative of an external entity.

The following is a summary of capital projects authorized by the Legislative Assembly for the State College of Science:
