Senate Bill No. 2289 - Department of Human Services - Senate Action

This bill provides a general fund appropriation of \$160,000 to the Department of Human Services for providing assistive technology services.

Senate Bill No. 2289 - Department of Human Services - House Action

The House did not change the Senate version.

Senate Bill No. 2015 included a section identifying this \$160,000 appropriation as a one-time funding item.
