¹This amount includes \$152,087 of one-time operations funding. Excluding this amount, the institution's ongoing general fund appropriation is \$35,089,376.

NOTE: The 2017-19 biennium legislative appropriations include authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Previously, only FTE positions supported by the general fund were authorized. The 2017-19 biennium legislative appropriations also include appropriation authority for all special funds received by the institutions and entities under the control of the State Board of Higher Education. Previously, special funds appropriations were provided only for certain items, such as capital projects.

Item Description

Enrollment - At the end of the 2017 regular legislative session, the North Dakota State College of Science FTE student enrollment projection for the 2017-19 biennium was 2,317 for the fall 2017 semester and 2,339 for the fall 2018 semester.

Tuition collections - At the end of the 2017 regular legislative session, tuition revenue for the North Dakota State College of Science for the 2017-18 fiscal year was estimated to be \$8.15 million.

Higher education challenge matching grant program - In Section 1 of 2017 Senate Bill No. 2003, the Legislative Assembly appropriated \$2 million from the general fund to the North Dakota University System office for the higher education challenge matching grant program.

Status/Result

The actual fall 2017 semester FTE enrollment was 2,253, 64 less than projected and 45 less than the fall 2016 semester.

The current estimate for tuition collections for the 2017-18 fiscal year is \$8.48 million, approximately \$330,000 more than projected.

Through April 2018, the North Dakota State College of Science Foundation has received \$200,000 in grant funding through the program.
