Other Sections in House Bill No. 1003

Midwestern Higher Education Compact - Section 3 restores the Midwestern Higher Education Compact to the North Dakota Century Code.

Higher education challenge grants - Section 4 adjusts the higher education challenge grant program statutory language and provides for the distribution of \$2.2 million of grant funds to eligible institutions, including Dickinson State University.

Capital project authorization - Sections 5, 6, and 7 provide for legislative approval requirements relating to capital projects and the establishment of a 3 percent maintenance reserve account for new facilities.

Higher education funding formula - Sections 8 and 9 adjust the higher education funding formula established in North Dakota Century Code Chapter 15-18.2, including adjusting the credit weighting for medical school credits and adjusting the base credit-hour funding rates.

Student financial assistance grants - Section 10 increases the maximum annual award under the student financial assistance grant program from \$1,950 to \$2,200 per year.

Carryover authority - Section 11 continues the authorization through July 31, 2021, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Dual-credit instructor assistance - Section 12 repeals law relating to the dual-credit instructor assistance program.

Additional funds appropriation authority - Section 13 appropriates any additional special funds received by entities under the control of the State Board of Higher Education to the respective entities.

Project management oversight - Section 14 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

University of North Dakota School of Medicine and Health Sciences funding - Section 15 provides that a portion of the operations funding appropriated to the University of North Dakota (UND) may be transferred to the UND School of Medicine and Health Sciences based on the recommendation of the Commissioner of Higher Education.

Transfer authority - Section 16 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets and capital building fund line items if the board determines that additional funds are needed for capital projects or extraordinary repairs.

FTE positions - Section 17 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Extraordinary repairs matching funds - Section 18 requires institutions to match state extraordinary repairs funding on a \$2 to \$1 basis using operations or other funding.

Bond issue authorization - Section 19 authorizes the State Board of Higher Education to arrange for \$117,600,000 of revenue bonds for the Memorial Union project at UND (\$80,000,000) and University Village Phase 2 at North Dakota State University (\$37,600,000). Section 24 provides that this section is an emergency measure.

Capital building funds - Sections 20, 21, and 22 provide for the establishment of capital building funds at each institution, establish matching fund requirements, and authorize the use of capital building fund money for certain capital projects. Section 24 provides these sections are an emergency measure.

Tuition rate increase limitation - Section 23 limits tuition rate increases to 3 percent per year. An institution may increase tuition by an additional 1 percent if it has secured matching funds to place the revenue from the additional 1 percent tuition increase in its capital building fund.

Additional Funds Appropriation Authority

Additional special funds received - Section 13 of House Bill No. 1003 appropriates any additional federal, private, and other local funds received by entities under the control of the State Board of Higher Education, including tuition revenue, to the respective entities during the 2019-21 biennium.

FTE Positions

The 2019-21 biennium executive budget recommendation includes authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Prior to the 2017-19 biennium, only FTE positions supported by the general fund were authorized.

Special Funds Appropriations

The 2019-21 biennium executive budget recommendation includes appropriation authority of all special funds received by the North Dakota University System office and institutions. Prior to the 2017-19 biennium, special funds appropriations for the University System office and institutions were provided only for certain items, such as capital projects.

Other Sections in House Bill No. 1003

Carryover authority - Section 11 continues the authorization through July 31, 2021, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Additional funds appropriation authority - Section 13 appropriates any additional special funds received by entities under the control of the State Board of Higher Education to the respective entities.

Project management oversight - Section 14 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

UND School of Medicine and Health Sciences funding - Section 15 provides that a portion of the operations funding appropriated to UND may be transferred to the UND School of Medicine and Health Sciences based on the recommendation of the Commissioner of Higher Education.

Transfer authority - Section 16 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets and capital building fund line items if the board determines that additional funds are needed for capital projects or extraordinary repairs.

FTE positions - Section 17 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Extraordinary repairs matching funds - Section 18 requires institutions to match state extraordinary repairs funding on a \$2 to \$1 basis using operations or other funding.

Bond issue authorization - Section 19 authorizes the State Board of Higher Education to arrange for \$117.6 million of revenue bonds for the Memorial Union project at UND (\$80 million) and University Village Phase 2 at North Dakota State University (\$37.6 million). Section 24 provides that this section is an emergency measure.

Capital building funds - Sections 20, 21, and 22 provide for the establishment of capital building funds at each institution, establish matching fund requirements, and authorize the use of capital building fund money for certain capital projects. Section 24 provides these sections are an emergency measure.

Tuition rate increase limitation - Section 23 limits tuition rate increases to 3 percent per year. An institution may increase tuition by an additional 1 percent if it has secured matching funds to place the revenue from the additional 1 percent tuition increase in its capital building fund.

Additional Funds Appropriation Authority

Additional special funds received - Section 13 of House Bill No. 1003 appropriates any additional federal, private, and other local funds received by entities under the control of the State Board of Higher Education, including tuition revenue, to the respective entities during the 2019-21 biennium.

Significant Audit Findings

The State Auditor's office reported UND:

- Improperly evaluated construction management at-risk bids for the Collaborative Energy Complex project, which could have resulted in incorrectly awarding the guaranteed maximum price contract of \$12,592,000; and

- Improperly calculated and recorded flight training charges for Aerospace Foundation contract students.

FTE Positions

The 2019-21 biennium executive budget recommendation includes authorization of all FTE positions for institutions and entities under the control of the State Board of Higher Education, including positions supported by special funds. Prior to the 2017-19 biennium, only FTE positions supported by the general fund were authorized.

Special Funds Appropriations

The 2019-21 biennium executive budget recommendation includes appropriation authority of all special funds received by the North Dakota University System office and institutions. Prior to the 2017-19 biennium, special funds appropriations for the University System office and institutions were provided only for certain items, such as capital projects.

Other Sections in House Bill No. 1003

Carryover authority - Section 11 continues the authorization through July 31, 2021, for institutions under the control of the State Board of Higher Education to carry over unexpended appropriations at the end of a biennium.

Additional funds appropriation authority - Section 13 appropriates any additional special funds received by entities under the control of the State Board of Higher Education to the respective entities.

Project management oversight - Section 14 requires capital projects authorized by the State Board of Higher Education to have adequate project oversight by an institution official or representative of an external entity.

Transfer authority - Section 16 provides that the State Board of Higher Education may transfer funds from an institution's operations line item to the institution's capital assets and capital building fund line items if the board determines that additional funds are needed for capital projects or extraordinary repairs.

FTE positions - Section 17 authorizes the State Board of Higher Education to adjust FTE positions as needed, subject to the availability of funds, for institutions and entities under its control.

Extraordinary repairs matching funds - Section 18 requires institutions to match state extraordinary repairs funding on a \$2 to \$1 basis using operations or other funding.

Capital building funds - Sections 20, 21, and 22 provide for the establishment of capital building funds at each institution, establish matching fund requirements, and authorize the use of capital building fund money for certain capital projects. Section 24 provides these sections are an emergency measure.

Tuition rate increase limitation - Section 23 limits tuition rate increases to 3 percent per year. An institution may increase tuition by an additional 1 percent if it has secured matching funds to place the revenue from the additional 1 percent tuition increase in its capital building fund.

Additional Funds Appropriation Authority

Additional special funds received - Section 13 of House Bill No. 1003 appropriates any additional federal, private, and other local funds received by entities under the control of the State Board of Higher Education, including tuition revenue, to the respective entities during the 2019-21 biennium.

Significant Audit Findings

The State Auditor's office reported Dakota College at Bottineau:

- Did not have adequate documentation to support the awarding of the \$902,664 guaranteed maximum price for the construction management at-risk contract relating to the Nelson Science Center renovation; and
- Was not in compliance with North Dakota Century Code and University System procedures regarding procurement.

The 2019-21 one-time funding amounts are not a part of the entity's base budget for the 2021-23 biennium. The North Dakota university system shall report to the appropriations committees of the sixty-seventh legislative assembly on the use of this one-time funding for the biennium beginning July 1, 2019, and ending June 30, 2021.

SECTION 3. SPECIAL FUNDS TRANSFER – STRATEGIC INVESTMENT AND IMPROVEMENTS FUND. The less estimated income line item in section 1 of this Act includes the sum of \$5,000,000, from the strategic investment and improvements fund for competitive grants for the institutions for online curriculum development. The less estimated income line in section 1 of this Act also includes the sum of \$2,900,000, from

the strategic investment and improvements fund for the renovation of McCarthy Hall and demolition of Foss Hall at Valley City State University. The less estimated income line in section 1 of this Act also includes the sum of \$25,675,000, from the strategic investment and improvements fund for Dunbar Hall at North Dakota State University. The funding for Dunbar Hall requires a minimum of \$13,000,000 in matching funds before it shall be transferred and notwithstanding Section 54-44.1-11 of the North Dakota Century Code any unexpended appropriation available for Dunbar under this section must be returned to the strategic investment and improvement fund on June 30, 2021. All of these amounts may be transferred at the direction of the state board of higher education and all are one-time items for the biennium beginning July 1, 2019 and ending June 30, 2021.

SECTION 4. AMENDMENT. Section 15-10-48 of the North Dakota Century Code is amended and reenacted as follows:

15-10-48. Advancement of academics - Matching grants - University of North Dakota and North Dakota state university.

1. a. Subject to legislative appropriations, each biennium during the period beginning July first of each odd-numbered year and ending December thirty-first of each even-numbered year, the state board of higher education shall award one dollar in matching grants for every two dollars raised by the institutional foundations of the university of North Dakota and North Dakota state university for projects dedicated exclusively to the advancement of academics.

b. To be eligible for a matching grant, an institution must demonstrate that:

- (1) Its foundation has raised at least fifty thousand dollars in cash or monetary pledges for a qualifying project; and
- (2) The project has been approved by the grant review committee established in section 15-10-51.

c. The board may award ~~up to two hundred thousand dollars~~ in matching grants to each institution based on total completed credit-hours, as determined under section 15-18.2-01, and as set forth in this section. The matching grant award dollar amounts are:

- (1) \$1,250,000 for institutions with less than 100,000 completed credit hours;
- (2) \$3,000,000 for institutions with 100,000 to 599,999 completed credit hours; and

5. Purchases by the department of transportation of roadway maintenance equipment costing more than ten thousand dollars per unit if the equipment was ordered during the first twenty-one months of the biennium in which the funds were appropriated.
6. Authorized ongoing information technology projects.

Office of management and budget to cancel unexpended appropriations - When they may continue. (Effective after July 31, ~~2019~~ 2021) The office of management and budget, thirty days after the

close of each biennial period, shall cancel all unexpended appropriations or balances of appropriations after the expiration of the biennial period during which they became available under the law. Unexpended appropriations for the state historical society are not subject to this section and the state historical society shall report on the amounts and uses of funds carried over from one biennium to the appropriations committees of the next subsequent legislative assembly. The chairmen of the appropriations committees of the senate and house of representatives of the legislative assembly with the office of the budget may continue appropriations or balances in force for not more than two years after the expiration of the biennial period during which they became available upon recommendation of the director of the budget for:

1. New construction projects.
2. Major repair or improvement projects.
3. Purchases of new equipment costing more than ten thousand dollars per unit if it was ordered during the first twelve months of the biennium in which the funds were appropriated.
4. The purchase of land by the state on a "contract for deed" purchase if the total purchase price is within the authorized appropriation.
5. Purchases by the department of transportation of roadway maintenance equipment costing more than ten thousand dollars per unit if the equipment was ordered during the first twenty-one months of the biennium in which the funds were appropriated.
6. Authorized ongoing information technology projects.

SECTION 10. ADDITIONAL FEDERAL, PRIVATE, AND OTHER FUNDS - APPROPRIATION. All funds, in addition to those appropriated in section 1 of this Act, from federal, private, and other sources for competitive grants or other funds that the legislative assembly has not indicated the intent to reject, including tuition revenue, received by the state board of higher education and the institutions and entities under the control of the state board of higher education, are appropriated to the board and those institutions and entities, for the biennium beginning July 1, 2019, and ending June 30, 2021. All additional funds received under the North Dakota-Minnesota reciprocity agreement during the biennium beginning July 1, 2019, and ending June 30, 2021, are appropriated to the state board of higher education for reimbursement to institutions under the control of the board.

SECTION 11. CAMPUS CAPITAL PROJECTS - PROJECT MANAGEMENT. During the biennium beginning July 1, 2019, and ending June 30, 2021, each capital project authorized by the state board of higher education must have adequate project management oversight by either an institution official or a representative of an external entity. An institution may seek assistance from the university system office for project management oversight of a capital project.

SECTION 12. STATEWIDE MEMBERSHIP DUES. Subdivision 1 of section 1 of this Act includes the sum of \$294,000 for membership dues for the western interstate commission for higher education.

SECTION 13. UNIVERSITY OF NORTH DAKOTA SCHOOL OF MEDICINE AND HEALTH SCIENCES OPERATIONS. The operations line item in subdivision 5 of section 1 of this Act includes a funding allocation from the higher education per student credit-hour funding formula attributable to inflation during the biennium beginning July 1, 2019, and ending June 30, 2021. Based on the recommendation of the commissioner of higher education a portion of the allocation may be transferred by the state board of higher education between the university of North Dakota school of medicine and health sciences and the university of North Dakota.

SECTION 14. TRANSFER AUTHORITY. If, during the biennium beginning July 1, 2019, and ending June 30, 2021, the state board of higher education determines that funds allocated to operations in section 1 of this Act are needed for capital assets, the board may transfer funds from operations to capital assets. The board shall report any transfer of funds under this section to the office of management and budget.

SECTION 15. FULL-TIME EQUIVALENT POSITION ADJUSTMENTS. Notwithstanding any other provisions of law, the state board of higher education may adjust full-time equivalent positions as needed, subject to the availability of funds, for institutions and entities under its control during the biennium beginning July 1, 2019, and ending June 30, 2021. The North Dakota university system shall report any adjustments to the office of management and budget before the submission of the 2021-23 biennium budget request.

SECTION 16. BOND ISSUANCE AUTHORIZATION - PURPOSES. The state board of higher education, in accordance with chapter 15-55, may arrange for the funding of projects authorized in this section, declared to be in the public interest, through the issuance of self-liquidating, tax-exempt evidences of indebtedness under chapter 15-55, beginning with the effective date of this Act and ending June 30, 2021. Evidences of indebtedness issued pursuant to this section are not a general obligation of the state of North Dakota. Any unexpended balance resulting from the proceeds of the evidences of indebtedness must be placed in a sinking fund to be used for the retirement of indebtedness. The evidences of indebtedness may be issued and the proceeds are appropriated in section 1 of this Act for the following capital projects:

Dakota College at Bottineau – new dining facility	\$2,500,000
University of North Dakota – memorial union	80,000,000
North Dakota State University – university village phase 2	<u>37,600,000</u>
Total special funds	\$120,100,000

SECTION 17. EXEMPTION – HIGHER EDUCATION CHALLENGE GRANT. The unexpended amount remaining for the Education Challenge Fund in section 1 of chapter 34 of the 2013 Session Laws

are not subject to section 54-44.1-11 and any unexpended funds from these lines are available during the biennium beginning July 1, 2019 and ending June 30, 2021.

SECTION 18. USE OF HIGHER EDUCATION CHALLENGE GRANT – MATCHING FUNDS. The education challenge fund line item in subdivision 1 of this Act may leverage any funds raised by the institutional foundations beginning January 1, 2019 and ending June 30, 2021 as part of the matching funds.

SECTION 19. USE OF EXTRAORDINARY REPAIRS FUNDING - MATCHING FUNDS. The capital assets line items in subdivisions 2 through 12 of section 1 of this Act include funding from the general fund for institution extraordinary repairs. An institution shall provide two dollars of matching funds from operations or other sources for each one dollar of extraordinary repairs funding used for a project.

SECTION 20. EMERGENCY. Section 16 and the capital assets items in section 1 of this Act are declared to be an emergency measure.
