Minutes: Rep. Maragos: Introduced bill 1204, to provide for a state-owned airline, relating to administrative agencies and to provide a continuing appropriation. The bill came about due to the airline strike in ND.

Rep. Thorpe: Is there any Federal money that could help investigate and support this idea?

Rep. Maragos: We have had competition introduced into ND at the request of congressional intervention. If we showed a need to our congressional delegation they could find some money to help us study this matter and find some other alternatives to this situation in the future.

Chairman Berg: We know the problems this created. What can we do as a legislative body to prevent any future problems, and be in a better situation than before?

Rep. Maragos: This is the challenge that I've put before you.

Opposition to bill 1204.

J.B. Lindquist: Opposes bill. This could be very costly to the state.
