Minutes: HCR 3015 and HCR 3022 were heard together since they are so similar.

REP. SVEEN: In 2000 we will be getting a new census and after that we will be reapportioning. Our rural districts are getting too large. In many districts we can't get to know our constituents. My district is 180 miles wide and the west end is very different from the east end.. We could set it up so that sub-districts kick in if the district is over 1000 or 1500 square miles. Minnesota has sub-districts.

REP WARNER: I represent district 4. It covers 6000 square miles and is divided by Lake Sakakawea. My resolution is very similar to Rep. Sveen's and I would not object if you kill mine and pass his.

JAMES COATS (Former Rep) Technically I'm neutral, but I have concerns. I wouldn't want to get a position where a candidate had to sell his home and move to keep running.
