Minutes: CHAIRMAN KREBSBACH opened the hearing on SB 2219. The bill relates to the filing of proposed administrative rules with the legislative council. SENATOR BOB STENEHJEM primary sponsor of the bill introduced the bill to the committee. He indicated that this was a very simple bill. This bill deals with administrative rules. What this bill would simply do is that at the time they propose to make a new administrative rule that they need to file a copy of the proposed rule with the legislative council. If anyone wanted to know about a new proposed administrative rule, they could call the council and get the information they need including a copy of the proposed rule. Basically that is all this law would do. Also appearing in support of this bill was REPRESENTATIVE BERNSTEIN. He simply reiterated that he supports this proposed piece of legislation. KEN BERTSCH, representing the North Dakota Farm Bureau appeared before the committee to indicate that his organization supports SB 2219. There were no questions offered from the committee. No further testimony was offered in

Minutes:

REP. BELTER Opened the hearing.

SEN. B. STENEHJEM, DIST. 30, Introduced the bill. (Beginning of this testimony, is not recorded)

There are a lot of people and constituents who want to know what the proposed rule changes are going to be and there is no central area to get a look at that administrative rule. In some cases, if someone wants to do an administrative rule, how do you get ahold of a board member, to try to get the rule out of him so you can see what the rule is in the first place. That is all this bill does is simply saying they need to file it with the Legislative Council and then we can get a copy of it if we request it.

With no further testimony, the hearing was closed.
