Committee Clerk Signature <i>Micia Jorgensen</i>			

Minutes:

Senator Wanzek called the meeting to order, roll call was taken, all were present.

Senator Wanzek opened the hearing on SCR 4034.

Senator Kroeplin introduced the bill. There is a problem in getting livestock production to work as a cooperative.

Senator Sand: Do you know anything about the dairy operation that was going to start up in your area?

Senator Kroeplin: That group did not run a fall with any corporate laws. One of the difficulties was that you would have had to do all work in order to be in the coop. There was no simple solution.

Senator Sand: Is that the thrust of the bill.

Senator Kroeplin: Yes.

Senator Wanzek: You're hoping that if we pinpoint one or two laws we can change them?

Senator Kroeplin: Look at the structure.

Senator Urlacher: Would this also make reference to possibly having outside capitol without the control.

Senator Kroeplin: We want to work within the law.

Senator Urlacher: In some cases members can't raise enough capitol.

Senator Kroeplin: That would be helpful if the other bill would go through.

Senator Urlacher made the motion for a Do Pass.

Senator Mathern seconded.

Minutes:

Summary of Resolution: Directs Leg council to study the farm coop business structure, how it may expand Dairy and Livestock production to enhance rural EDC.

Sen Kroeplin: Wanted to figure out a way to help get some more of our co-ops to expand and help the farmers out. Iowa recently has changed some of their laws and they seem to making it work so maybe we can glean some information from them.
