Minute:

Jennifer Clark: *Legal Council for NDLC* This bill creates ND entrepreneurial seed fund. Section two creates a nine member board of management for the fund. This includes four members of the private sector to be appointed by the governor, one member from GNDAA, one member from the economic development association of ND, one member from ED&F, one member from the Bank of ND, and one member from the state board of higher ed. Each member would serve a two year term and would be entitled to be reimbursed for their expenses. Subsection four on page two describes the boards duties. In section 3 it explains how this would work. The most a local seed fund would be available for would be \$200,000 with a 500% local match to be eligible. This is not a entitlement program. The final provision is the appropriation.

Rep Koppang: This appropriation is not included in the executive budget?

Clark: That's correct.

Rep Ekstrom: How was one third come up with?

Clark: That was the number the member the Interim committee requests because the services provided were of a technical nature.

Sen Glassheim: The purpose of this bill is to have the state ED&F people help and encourage the development of local entrepreneurial seed fund. This would help smaller communities to incorporate to get marketing materials and to encourage the raising of money all over the state with local investments.

Chairman Berg: We'll close the bill on HB 1040
