REPRESENTATIVE KATHY HAWKIN, District 36, spoke on the bill. She stated this is a bill for the Fargo public schools school board to allow them to have their election with the county and city. This would change their election from April to June. The local Board would have to make some decisions as to how the terms will be run. This would start in the next election cycle. Fargo was the first school district in the state and has a separate part in NDCC because they were established before statehood. She further stated the Board members are not paid.
