Minutes:

Chair Nelson called the meeting on HB 1224 relating to the use of boats to retrieve waterfowl to order.

Rep. Porter introduced HB 1224 and proposed a hog house amendment. (See Attached)

Roger Rosvitt: Testified on Behalf of HB 1224. I had not intended to testify on behalf of HB 1224. The intent of this bill is to increase the amount of harvest by hunting in edge areas of rest areas.

Rep. Johnson: Is there a fiscal note?

Roger Rosvitt: No, come from private lands budget.

Rep. Keiser: Will this be new dollars or a reallocation?

Roger Rosvitt: Already existing funds.

Rep. Nottestad: Can this be achieved without the bill?

Roger Rosvitt: Yes, it could be.

House Natural Resources Committee
Bill/Resolution Number 1224
Hearing Date February 13, 2003

Tim Kolke: Testified neutral on HB 1224. Opposed to the original form of the bill since populations are high and there is no reason to cut off opportunity for hunting with his son.

Dan Halstad: Testified in neutral to HB 1224. Opposed to original form of the bill. Motor boats are a very traditional way to hunt waterfowl. Field hunting is already limited please leave the water opportunity open.

Chair Porter closes the hearing.

Chair Nelson reopens HB 1224 in committee work.

Rep. Porter moves a hog house amendment. **Rep. Clark** Seconded the motion.

Rep. Porter: Explains the details as to how this would fit in to the overall access programs.

Rep. Johnson: I do not see the need for this bill. These refuges already exist. We have record number of waterfowl.

Chair Nelson: Nonresidents are duck hunter and residents are goose hunters. Boats can permanently scare of geese. This is here for the goose hunters. I think this is good policy.

Rep. Nottestad: This will create more rest areas. There will be more damage to farms. This is not a good farmer bill.

Chair Nelson: Referred the committee to a map representing locations of waterfowl rest areas.

Motion passed by voice vote.

Rep. Porter Motioned a do pass as amended on HB 1224. **Rep. Nottestad** seconded the motion.

Motion carries by a vote of 10-2-2. **Rep. Clark** will carry.

FISCAL NOTE
 Requested by Legislative Council
 02/14/2003

Amendment to: HB 1224

1A. State fiscal effect: Identify the state fiscal effect and the fiscal effect on agency appropriations compared to funding levels and appropriations anticipated under current law.

	2001-2003 Biennium		2003-2005 Biennium		2005-2007 Biennium	
	General Fund	Other Funds	General Fund	Other Funds	General Fund	Other Funds
Revenues						
Expenditures						
Appropriations						

1B. County, city, and school district fiscal effect: Identify the fiscal effect on the appropriate political subdivision.

2001-2003 Biennium			2003-2005 Biennium			2005-2007 Biennium		
Counties	Cities	School Districts	Counties	Cities	School Districts	Counties	Cities	School Districts

2. Narrative: Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.

It has not been determined what the size of this program would be. Funding would come from the Department's private lands initiative program budget and would use dollars already included in the Game and Fish Department budget.

3. State fiscal effect detail: For information shown under state fiscal effect in 1A, please:

A. Revenues: Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

B. Expenditures: Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

C. Appropriations: Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.
