Minutes: **Chairman Keiser** opened the hearing on HB 1476.

Rep. Kasper, District 46, introduced the bill and distributed proposed amendments which delete lines 7, 8 & 9 beginning with "each third party administrator". The bill deals with employee benefits and cafeteria plans for group insurance plans. Any premiums that an employee undergoes are allowed to be pre-taxed under the IRS codes. Employers often hire third party administrators to track dollars that go in and out of medical reimbursement programs for compliance with tax laws etc. Dependent care accounts can also be pre-taxed. The problem is that some third party administrators in our state stipulate that employers must purchase their insurance through whatever insurance company that administrator brings to the table. This presents a closed shop and puts employers and employees at a disadvantage of having to purchase inferior products or abandon insurance plans that they previously held.

Rep. Johnson: Does the third party administrator offer plans or require plans at reduced cost?

Rep. Kasper: Some third party administrators earn income in two ways, they charge fees for their administrative services and they are licensed insurance agents.

Rep. Thorpe: What's the usual and customary fee?

Rep. Kasper: \$3-\$5 per month per employee. It depends.

Rep. Dosch: Would employers have to file two different 5500 forms with the IRS if they had a split plan?

Rep. Kasper: Insurance carriers send out these forms on a yearly basis.

Rep. Tieman: Would these third party administrators receive a fee for administering plans if it is not a plan they sold the employer?

Rep. Kasper: Generally, a third party administrator is not in the insurance products side of things, their income is based solely on the fees generated for handling medical reimbursement accounts and dependent care accounts.

Chairman Keiser: What is the length of term of contract?

Rep. Kasper: Usually an annual contract, with a 90 notice on either party's side to cancel.

As there was no one else present who wished to testify in support of HB 1476, **Chairman Keiser** called for testimony in opposition to HB 1476.

Dan Ulmer, Blue Cross Blue Shield, testified in opposition to HB 1476. He stated that it doesn't seem right and feasible for a TPA to be required to service some other company's product. Issues of liability for outside products could become big problems.

Bob Lamp, representing the Automobile Implement Dealer Association, testified in neutral opposition to HB 1476. Their association offers a group health insurance plan to their members.

They also administer the plan. They offer a cafeteria plan but do not charge fees to their members.

As there was no one else present who wished to testify, the hearing was closed.

Rep. Kasper moved to adopt the amendments. **Rep. Ruby** seconded the motion. A voice vote carried the amendments.

Rep. Thorpe moved a **Do Not Pass**. **Rep. Ekstrom** seconded the motion.

Rep. Kasper stated that he resists the motion for a Do Not Pass. There is limited competition for TPA's in our state.

Rep. Severson stated that nobody presented the employers viewpoint today and that he supports the motion for a Do Not Pass.

Rep. Nottestad supports the motion for a Do Not Pass.

Rep. Ruby and **Rep. Tieman** resist the motion for a Do Not Pass.

Chairman Keiser: In cases I'm familiar with, it is large businesses are shutting out agents and locking out providers by using a TPA. Because of federal requirements for tax benefits, cafeteria plans are year long commitments, it's going to roll around until it's time to negotiate a new contract anyway. Do we need to put into statute something that's already in place?

Rep. Severson: Even with the opposition, I don't think there is demonstrated need regarding liability issues.

The results of a roll call vote on a **Do Not Pass** were: 9-4-1

Rep. Zaiser will carry this on the floor.

The Insurance Department already registers third-party administrators (TPAs) so there will be no fiscal impact on our budget or on the general fund. The Department does not register TPAs for employer-sponsored plans, since those plans are regulated by the federal Department of Labor.
