Minutes: **Chair Kretschmar** opened hearing on HCR 3014.

Rep. Gulleson: Supports with written testimony and map. Fifteen states have already moved away from legislators and have commissions doing the redistricting. This HCR is a product of what others states are doing.

Sen. Seymour: Why put the section on reelection in if it's an uncomfortable point? Rep. Gulleson said that this resolution is not meant to be comfortable. The people should be able to vote for their representation.

Rep. Winrich: Is there a discrepancy in the numbers? Rep. Gulleson said it should say "94" senators.

Rep. Kretschmar: Why reduce the current range? Rep. Gulleson said the reality is that ND is not growing and 53 is an unrealistic number.

Rep. Metcalf: Was going to introduce something like this. Currently, he only represents 2/3 of his people because of redistricting. Feels it should be their opportunity to vote for him.

Mark Sitz (ND Farmers Union): Supports the resolution because it maintains the integrity of the system.

Glenn Baltrusch: Supports with written testimony.

Nancy Sand (NDEA): Supports because this removes political motivation. This is a good concept.

Minutes: **Chair Kretschmar:** Opened discussion on HCR 3014

Rep. Winrich moved amendments .0101. 2nd by Rep. Maragos

Voice Vote: Amendments adopted.

Chair Kretschmar stepped down as chair and Senator Tollefson continued to chair.

Rep. Kretschmar: Redistricting is a legislative responsibility. Putting the responsibility into a non-legislative commission is not a good idea. Legislators are elected officials. If they do not do it properly, you can take it to the Courts. A case did go to the U.S. Supreme Court in the 1970's. Urges to vote against.

Rep. Winrich: Disagrees with Rep. Kretschmar. The Legislature still approves the redistricting. This brings a rational process to redistricting. The plan can be rejected by the legislature. This is a worthy amendment for voters to decide.

Rep. Winrich moved a DP as amended. Second by Rep. Maragos.

Vote: 3 Yes 7 No 0 Absent and not voting Motion fails.
