Minutes:

Rep. Delmore: *Today is a very special day for me. A young gentleman will return from Afghanistan tonight and fly into the Bismarck airport. He is like a second son to me. I have introduced my resolution to this in the past session. It is very important that we honor our military members. I always try to do so with my support. I have taught numerous students from the base, I remember the flood in Grand Forks and all the help we got from our friends and neighbors. Community ties are important. That is the reason I want to introduce this. It is a special time of day to remember our troops. With that said I want to correct an error in the bill. I have given an amendment to the chairman. I also watched people work very hard and through defeat. Our congressional delegation and governor worked very hard on this. They put politics aside and did the right thing for our state. They never gave up or quit. With that I would like to offer the amendment that would insert the governor because he should be a part of this. It was never my intent to not have him as part of this resolution because I think it is very important. I just ask for your favorable support to honor our men and women who serve our country so well.*

Rep. Haas: Is there any other testimony to HCR 3024? If not we will close the hearing on HCR 3024.

Hearing Date: March 8, 2007

Recorder Job Number: 4739

Committee Clerk Signature

Shirley Borg

Minutes:

Chairman Cook called the Senate Political Subdivisions to order. All members (5) present.

Chairman Cook opened the hearing on HCR 3024 relating to maintain and enhance military force structure and missions in this state.

Representative Delmore, District 43, Grand Forks, ND, introduced and testified in support of HCR 3024. This resolution is not necessarily new; it is something that I have been privileged to do the last two legislative sessions. It recognizes our base and National Guard members. I represented the East and Western part of North Dakota. I feel it is important that we have bipartisan support; both republicans and democrats are on this bill. The resolution recognizes many specialty players. It includes our congressional delegation, the governor and the various committees we had in our local community. I ask for favorable support to honor our men and women in the military.

No further testimony in support, opposed or neutral on HCR 3024.

Chairman Cook closed the hearing on HCR 3024.

Senator Hacker moved a Do Pass on HCR 3024

Senator Warner seconded the motion.
