Hearing Date: February 7, 2007

Recorder Job Number: # 3061

Committee Clerk Signature

Sharon Renfrow

Minutes:

Sen. Urlacher called the committee to order and opened the hearing on SCR 4021.

Sen. Cook: prime sponsor of the bill appeared in support stating this resolution simply requires or asks allows for the Legislative interim committee to study the possibility of eliminating ND2.

Donita Wald: Tax Dept. appeared in support stating we are getting fewer and fewer tax payers who are using that form, we are seeing more and more tax credits being placed on that form, one of which is long term care insurance that really made a difference for those using the long form.

Sen. Urlacher: what was the percentage of usage on the long form?

Donita: 2005 it was 2% which was 7190 tax payers.

Sen. Horne: is it accurate then if that isn't specifically addressed in a bill that you only qualify for a tax credit if your using the long form to prepare your taxes?

Donita: that's correct, there is a statute in the short form section 57-38-30.3 which says you do not get any credits or deductions unless they are specifically placed in that section of the law.

Closed the hearing.

Sen. Horne: made a **Motion for DO PASS**, seconded by Sen. Cook.

Roll call vote: 6-0-1 Sen. Cook will carry the bill..

Minutes:

Chairman Belter opened the hearing on SCR 4021.

Senator Dwight Cook, Dist. 34: This is a bill that requires an interim study on personal income tax forms ND 1 and ND 2. We studied this prior to the 2005 session and we had legislation in 2005 that would eliminate ND2. It failed. I'm hoping with this study that we try it again. Only the difference is that this time we do it in attempt where we judge the feasibility of moving many, not all, of the credits in ND2 over to ND1 and see what type of effect that would have. The time is probably right with all the talk that is going on right now about income tax reform.

Rep Weiler: Could this study also include elimination of income tax.

Cook: Not the way it's written. But it's in your hands now.

Chairman Belter: That can always be requested during the study.

Chairman Belter closed the hearing.

Minutes:

Chairman Belter reopened the hearing on HCR 4021.

Chairman Belter: Do you want to act on the resolution?

Rep Headland moved a Do Pass and be placed on the Consent Calendar

Rep Owens seconded the motion

Rep Weiler: I want to make sure that we are able to include in the study the possible elimination of income and corporate tax, but I don't know if I want to muddy it up with an amendment. I want to make sure that we can request that in the interim.

Chairman Belter: You can certainly request it, but it is up to the chairman of the legislation council whether he would put it in the study or not. If you want it incorporated for sure, the best way to do it is to amend it into the study. If you want to have amendments prepared, I'm sure we can withdraw the motion and second.

Rep Headland withdrew his motion

Rep Owens withdraw his second

The hearing was closed for a break.
