

EFFECTIVE DATES OF 2017 LEGISLATION

Section 13 of Article IV of the Constitution of North Dakota and North Dakota Century Code Section 1-02-42 provide the rules for determining the effective dates of laws enacted by the Legislative Assembly. The general rule is that a law takes effect on August 1 after its filing with the Secretary of State. An appropriation measure for the support and maintenance of state departments and institutions or a tax measure that changes tax rates takes effect on July 1 after its filing with the Secretary of State. Later effective dates can be specified in a bill, and a law that is declared an emergency measure which passes each house by a vote of two-thirds of the members-elect of each house can take effect upon its filing with the Secretary of State.

¹Except Sections 5, 8, and 9, which are effective April 27, 2017.

²Except Section 4, which is effective April 26, 2017.

³Except Sections 11, 12, 13, and 22, which are effective May 1, 2017; and Section 40, which becomes effective if the Executive Director of the Department of Human Services certifies to the Secretary of State and the Legislative Council the federal government ended the Medical Assistance Expansion program.

⁴Except Sections 8 and 27, which are effective April 25, 2017.

⁵Except Sections 6, 14, 19, 27, and 32, which are effective May 3, 2017; Section 22, which is effective for property tax incentives approved after July 31, 2017; and Section 29, which was vetoed by the Governor.

⁷Except Sections 9, 10, 11, 12, 22, and 23, which are effective May 3, 2017; Sections 15, 17, 18, and 21, which are effective August 1, 2017; Section 16, which becomes effective August 1, 2019; Section 23, which becomes effective only upon certification by the Industrial Commission to the Legislative Council that the Industrial Commission has determined the Western Area Water Supply authority shall, with the assistance of the Industrial Commission and the Bank of North Dakota, repay its obligations to the Bank of North Dakota through the issuance of revenue bonds, as provided under Subsection 2 of Section 12 of this Act; and Section 27, which was vetoed by the Governor. The Governor also vetoed the portion of Section 5 which, which reads "subject to budget section approval and upon notification to the legislative management's water topics overview committee." Following a challenge to the constitutionality of the veto, the North Dakota Supreme Court, in *North Dakota Legislative Assembly v. Burgum*, 2018 ND 189, held the language to be an unconstitutional delegation of legislative authority. To make the remaining language workable legislation; however, the court also stuck the words "however, the State Water Commission may transfer funding among these items,".

⁸Except Sections 8, 9, 10, and 12, which were vetoed by the Governor.
