## STUDY MEASURES NOT PRIORITIZED

The following table lists the study directives not prioritized by the Legislative Management for study during the 2019-20 interim under authority of Section 54-35-02. The subject matter of many of these measures is the same or similar to the subject matter of studies that were given priority or of study assignments by the Legislative Management.

Bill or Resolution No.	Subject Matter
1003 § 34	<b>University competitive research</b> Consider studying University System competitive research programs, including the established program to stimulate competitive research.
1018 § 15	<b>Motion picture incentives</b> Consider studying motion picture incentives. The study must include a review of upper Midwest and neighboring states' statutes on motion picture incentives to assess their successes and challenges; an analysis of the economic impact that would benefit communities through food, lodging, supplies, and transportation; an assessment of existing industry infrastructure in the state and opportunities for growth; and an identification of unique geographic, seasonal, regulatory, and topographical assets the state has for the motion picture industry.
1246 § 2	<b>Gratis hunting licenses</b> Consider studying gratis licenses to hunt deer, antelope, elk, and moose. The study must include consideration of the minimum acreage requirements for a gratis license, restrictions on where individuals with gratis licenses to hunt moose may hunt, how gratis licenses to hunt deer are allocated in units to ensure an adequate supply remains available for individuals with other licenses to hunt deer, and whether eligibility for a gratis license to hunt moose should be annual or once in a lifetime.
1265 § 1	<b>State parks</b> Consider studying the purpose, value, and benefits of each state park. The study must include a review of each state park's usage, annual attendance figures, overhead, and the cost to operate and maintain each state park.
1367 § 1	<b>Railroad crossings</b> Consider studying railroad crossings to determine whether adequate safety measures exist to prevent collisions between trains and motor vehicles. The study must include: consultation with the Department of Transportation, Highway Patrol, and associations and organizations representing counties, cities, townships, and the agricultural community; the design and safety of railroad crossings and the feasibility of implementing design changes to increase safety and to reduce the likelihood of obstructions at the crossings, and consideration of the adequacy of traffic and pedestrian warning signals; the availability of federal funding for railroad crossing improvement projects; the feasibility of equipping trains with technology to increase safety; and data on railroad crossing accidents and incidents that have occurred within the state on an annual basis over the past 5 years.
1401 § 1	<b>Interim committee remote access</b> Consider studying the use of technology to enable remote attendance at interim legislative committee meetings as a cost-saving measure. The study must include consideration of technologies, including telephone conferences, interactive video networks, and other options for video interactions.
1435 § 5	<b>Public safety communications</b> Consider studying consolidated emergency and interoperable public safety communications system governance and funding options.
1470 § 4	<b>State employee leave</b> Consider studying the leave policies for state employees. The study shall include the efficacy and desirability of transitioning annual leave and sick leave into a combined paid time off system.
1487 § 1	<b>Homestead tax credit</b> Consider studying the homestead tax credit, a credit that reduces the property taxes of individuals who are 65 years of age or older or individuals who are permanently and totally disabled and whose income is \$42,000 or less per year. The study must include consideration of whether: the income levels and asset thresholds specified in the credit should be modified or indexed; the credit impacts property valuations; the qualifying age of 65 years of age or older is appropriate considering changing demographics; and the current criteria for qualifying for the credit is effectively targeting those most in need. The study also must include a review of the number of individuals who have claimed the credit in the past, an estimate of the number of individuals who might claim the credit in future years, and the estimated fiscal impact of making any changes to the credit.
1519 § 2	<b>Medical marijuana medical conditions</b> Consider studying the list of debilitating medical conditions under the medical marijuana program to determine the appropriateness of the list, including whether conditions should be added to or removed from the list.
2010 § 18	<b>Volunteer firefighter pension</b> Consider studying the feasibility and desirability of establishing a pension for volunteer firefighters. The study must include a review of firefighter needs in the state and benefits provided to volunteer firefighters in other states.
2042 § 1	<b>County standard procedures and classification</b> Consider studying the feasibility and desirability of developing standard procedures and classification of accounts to provide a means of accumulating financial information that is uniform for all counties, regardless of the county's size or various approaches to budgeting and accounting which may be in use, with the objective of achieving uniformity of financial information to guide preparation of financial reports required by law.

**Bill or  
Resolution No.**
