

EFFECTIVE DATES OF 2021 LEGISLATION

Section 13 of Article IV of the Constitution of North Dakota and North Dakota Century Code Section 1-02-42 provide the rules for determining the effective dates of laws enacted by the Legislative Assembly.

The 67th Legislative Assembly convened for a regular session on January 5, 2021 and adjourned on April 29, 2021. A law enacted during a regular session of the Legislative Assembly takes effect on August 1 after its filing with the Secretary of State. An appropriation measure for the support and maintenance of state departments and institutions or a tax measure that changes tax rates takes effect on July 1 after its filing with the Secretary of State. Later effective dates can be specified in a bill, and a law declared an emergency measure which passes each house by a vote of two-thirds of the members-elect of each house can take effect upon its filing with the Secretary of State.

The 67th Legislative Assembly convened for a special session on November 8, 2021 and adjourned on November 12, 2021. Laws enacted during a special session of the Legislative Assembly take effect on the date specified in the Act. An emergency clause is not required for laws passed during a special session.
