LEGISLATIVE MANAGEMENT ASSIGNMENTS

The following table identifies additional assignments by the Legislative Management or the Chairman of the Legislative Management to interim committees.

Responsibility	Interim Committee
Study the provisions of Senate Bill No. 2290 to determine the appropriateness of the bill's requirement for the Legislative Assembly to approve any Emergency Commission requests to expend funds after the aggregate amount of federal fund requests approved by the commission in a biennium has exceeded \$50 million and after the aggregate amount of other funds requests approved by the commission in a biennium has exceeded \$5 million. (Legislative Management Chairman directive)	Government Finance Committee
Study and propose amendments to Chapters 61-16.1, 61-21, and 61-32 to eliminate redundancy and conflicts and to provide for uniform assessment procedures for all water projects; study and recommend procedures to appeal water resource board decisions; study the structural relationship between the State Water Commission and water resource boards and identify methods for improving water resource board accountability; and study methods, including the use of an independent organization, for assessing the cost of a project in relation to the benefits received and recommend a method to ensure the cost to a landowner does not exceed the benefit to the landowner. (Legislative Management directive)	Water Drainage Committee

STUDY MEASURES NOT PRIORITIZED

The following table lists the study directives not prioritized by the Legislative Management for study during the 2019-20 interim under authority of Section 54-35-02. The subject matter of many of these measures is the same or similar to the subject matter of studies that were given priority or of study assignments by the Legislative Management.

Bill or Resolution No.	Subject Matter
1003 § 25	Study the feasibility and desirability of consolidating litigation-related funding in state government. The study must include an analysis of litigation-related funding in state government agency budgets, including the purpose and source of funding for the litigation and any efficiencies that may be gained through the consolidation of the litigation funding into the Attorney General's office. The study must include consultation with the Attorney General and any agency with litigation-related funding appropriated for the 2021-23 biennium.
1003 § 26	Study laws regarding the state's charitable gaming taxation and use of net proceeds for eligible organizations.
1010 § 9	Study fire-related lines of insurance, including the insurance premium tax revenue generated from fire-related lines of insurance and the appropriate amounts to be distributed to fire departments and the North Dakota Firefighter's Association pursuant to Section 18-04-05.
1013 § 23	Study the feasibility and desirability of using up to 1 percent of common schools trust fund assets annually for school construction grants.
1018 § 8	Study the feasibility and desirability of creating local advisory boards to the State Historical Society.
1019 § 14	Study the effectiveness of the parks matching grant program created in Section 7 of House Bill No. 1019 and the feasibility and desirability of creating a parks and recreation foundation.

Bill or Resolution No.	Subject Matter
1023 § 3	Study the feasibility and desirability of expanding fertility benefits under the Public Employees Retirement System uniform group insurance health benefits as a precursor under Section 54-03-28 to mandating the fertility benefits for health insurance in the private market. The study must include a Public Employees Retirement System actuarial study of the cost of expanding the fertility benefits of the state health plan and must include consideration of the positive and negative aspects of mandating fertility benefits for health insurance in the private market.
1027 § 7	Study the impact of additional career and technical education center student transportation on student transportation costs.
1031 § 2	Study the creation of a general fee policy relating to how state agencies' fees should be established for new programs and a continued review of existing fees.
1210 § 1	Study the feasibility and desirability of creating a teacher reimbursement program. The study must include a review of out-of-pocket expenses incurred by K-12 teachers on classroom school supplies, including the total amount of annual out-of-pocket expenses teachers in the state incur on classroom school supplies; a review of school districts in the state that have implemented teacher reimbursement programs; and an evaluation of whether a teacher reimbursement program would mitigate the financial burden incurred by teachers purchasing school supplies for their classrooms, and the total potential annual cost to the state to reimburse teachers for the out-of-pocket expenses.
1231 § 1	Study the benefits of investing legacy fund moneys locally before investing any moneys outside the state.
1249 § 1	Study the building space needs of the legislative branch for purposes of considering whether an expansion or renovation of the space available to the legislative branch is necessary to serve the public and meet the needs of the legislative branch. The study must include consideration of whether adequately sized committee rooms, appropriate accommodations under the federal Americans with Disabilities Act, and flexible meeting areas are available, and will continue to be available, to the legislative branch, and the impact on the space needs from a potential expansion of the information technology division of the Legislative Council. The Legislative Management may consult with third-party consultants for this study.
1339 § 1	Study the definitions of "dangerous weapon" and "public gathering." The study must consider which weapons should be considered dangerous weapons. The study also must consider whether a "public gathering" includes athletic or sporting events, school buildings, or churches.
1375 § 4	Study all scholarship programs in the state.
1459 § 1	Study the development of a licensing system that would authorize county correctional employees to carry a firearm while transporting inmates. The study must include input from the North Dakota Sheriffs and Deputies Association, state jail administrators, the North Dakota Peace Officer Standards and Training Board, the Department of Corrections and Rehabilitation, and all other interested parties.
2003 § 26	Study higher education funding mechanisms, including private-public partnerships and distributions from permanent funds. The study must include potential mechanisms to stabilize funding for higher education, including funding mechanisms used in other states.
2004 § 15	Study the roles of the State Health Officer, Health Council, Medical Advisory Board, and Governor as they relate to the administration of the State Department of Health. The study must include consideration of the role of the Health Council if the Governor seeks to terminate the appointment of the State Health Officer or to adjust the salary of or take punitive action against the State Health Officer. Additionally, the study must include whether the orders of the State Health Officer regarding public health directives have primacy over orders issued by the Governor.
2014 § 35	Study the levels of debt associated with long-term care facilities in the state. The study must include consideration of the current debt of long-term care facilities and the potential debt that may be incurred in the next 10 years by long-term care facilities; the status of existing loan programs to assist long-term care facilities, including Bank of North Dakota loan programs and the United States Department of Agriculture rural loan program; and any potential cost-savings for the state and private payers resulting from lower interest rates associated with loans to long-term care facilities.
2015 § 6	Study the use of land owned by the Department of Corrections and Rehabilitation, including the potential to sell land owned by the department to finance the construction of new correctional facilities.
2018 § 20	Study data storage by state entities. The study must include input from the Information Technology Department, North Dakota University System, and Kindergarten Through Grade Twelve Education Coordination Council. The study must consider data security, geographical locations of storage, geographical locations of corporate contractors, state and federal laws that may affect North Dakota data, ownership and control of data storage, and current and estimated data storage costs related to cloud-based, out-of-state data storage of North Dakota state and local government data.
2021 § 12	Study the feasibility and desirability of the legislative branch and judicial branch receiving strategic planning and operational information technology direction from the Information Technology Department beginning in the 2023-25 biennium.

Bill or Resolution No.	Subject Matter
2021 § 16	Study competitive fairness, economic development implications, and other economic and societal impacts of large technology companies conducting business in North Dakota.
2021 § 17	Study the feasibility and desirability of regulating special purpose depository institutions and regulating other entities engaged in virtual currency business activities.
2041 § 2	Study the provision of a property tax exemption for elevators, warehouses, and other farm structures classified as commercial property, which are privately owned and used to store agricultural products produced by the owner or an individual related to the owner as defined in Section 10-06.1-12. The study must include consideration of the definition of agricultural property and the impact of an exemption on city and county property tax revenues.
2075 § 2	Consider, with the assistance of the Insurance Department, studying the North Dakota laws and practice of insurers making property and casualty insurance policies and related information available to insureds by electronic means; the feasibility and desirability of prohibiting insurers from restricting the conditions in which insureds may access such information, including through software and agents of their choosing; and the extent to which insurers conducting business in this state have sought to limit access to policies and related information made available to insureds, whether such restrictions restrain competition in the marketplace, balance with an analysis of the impact of such access on potential cyber breaches, and loss of trade secret or proprietary information resulting from third-party usage and software applications, and how the two competing considerations can be safely and fairly reconciled.
2078 § 8	Study the process for obtaining written consent under the provisions of the Violent Crime Control and Law Enforcement Act of 1994 codified at 18 U.S.C. Section 1033 [Pub. L. 103-322] for individuals otherwise excluded from licensure as insurance producers.
2089 § 4	Study the autism spectrum disorder waiver and voucher programs and other programs designed to provide services to children who are impacted by autism spectrum disorder and the elimination of the Autism Spectrum Disorder Task Force. The study may include consideration of the structure of the programs and whether there are any gaps and unmet needs, including contracting with a private, nonprofit entity that does not provide autism spectrum disorder services to facilitate and provide support services to the Autism Spectrum Disorder Task Force.
2151 § 1	Consider studying the use of blockchain to identify an accurate and continuous count of uninsured drivers in this state. The study must be in consultation with the Department of Transportation and must consider blockchain technology that allows for a dynamic, ongoing, decentralized, secure, and immutable method of tracking uninsured drivers in this state. In addition, the study must include an analysis of the impact relating to consumer fraud that may result from a state law mandating uninsured motorist property damage coverage. The Insurance Department shall request the 30 largest auto insurers, as measured by premiums written, to provide information to facilitate the study of the use and implementation of blockchain for this purpose
2189 § 1	Study reduced harm nicotine products. The study must include a review of "modified risk tobacco products," as defined in Section 387(k) of the federal Food, Drug, and Cosmetic Act [21 U.S.C. 387(k)], and a review of products that should be deemed reduced harm nicotine products based on the product's potential for reducing tobacco-related diseases and the product's benefit to the population as a whole, including benefits to both current and potential tobacco users. The study also must evaluate how a reduction in the tax rate on reduced harm nicotine products might benefit public health by encouraging the use of reduced harm nicotine products, rather than the use of other products that potentially are more harmful.
2208 § 1	Consider studying the regulation of water in the state, including eliminating redundancy and conflicts in Chapters 61-16.1, 61-21, and 61-32; making assessment procedures uniform across all types of water projects, including drain projects; revising procedures for appeals from water resource board decisions, including the possible creation of an appeals board or appealing the decisions to an existing entity, such as the North Dakota Mediation Service within the Department of Agriculture; managing water on the basis of watersheds or water basins throughout the state; reviewing responsibility for culvert sizing decisions; applying cost-benefit analyses to additional projects before the State Water Commission considers whether to approve the projects; reviewing the cost-share for additional assessment drains across the state; reviewing the cost-share for and regulation of snagging and clearing; reviewing the structural relationship between the State Water Commission and water resource districts; the process for awarding irrigation permits; the length of time irrigation permit applications are held in abeyance; prioritization of irrigation permit applications; methods for maximizing water resources; possible development of an irrigation permit that may be suspended during periods of water scarcity; methods for on-time monitoring of well water levels; improving communication between the office of State Engineer and irrigation permit applicants; and related issues.

Bill or Resolution No.	Subject Matter
2253 § 1	Study the long-term care insurance market in the state. The Insurance Commissioner and, as requested, the 10 largest long-term care insurance insurers in the state shall participate in this study to review the current premium market, benefits, and consumer options in relation to premium increases and overall market. Additionally, the Department of Human Services and Insurance Department shall report to the Legislative Management regarding the long-term care partnership program, including data addressing utilization of the program, whether there are barriers to access to the program, and how utilization of the program might be increased.
2271 § 2	Study how to defeat the effort of the national popular vote interstate compact to ensure the electoral college process is preserved as prescribed in the United States Constitution. The study also must include examination of how states report presidential election results and whether states report the results using vote percentages or vote totals.
2293 § 1	Study the legislative intent of the exceptions to the requirement of a statement of full consideration for deeds transferring title of certain types of transactions and property under Section 11-18-02.2(6).
3011	Study and researching the impact of substance abuse and neonatal withdrawal syndrome, including a focus on Fetal Alcohol Spectrum Disorders, including treatment, services available, potential prevention, and whether existing policies for children and adults are appropriate.
3046	Study the administrative rules process, including a review of any relevant statutes regarding administrative rules to determine if any statutes are unclear or ambiguous, the degree to which agencies are complying with the process, which state agencies are specifically exempt from the process, and if those state agencies should remain exempt.
4014	Study the apportionment of voting rights in relation to a voter's ability to approve or protest a tax increase, bond issuance, or the formation of an improvement district and whether the current manner of apportioning voting rights is equitable and appropriate.
