

STUDY OF GUARDIANSHIP SERVICES - INFORMATION REGARDING THE REQUEST FOR PROPOSAL AND PROPOSAL RESPONSES

BACKGROUND INFORMATION

Section 1 of 2011 House Bill No. 1199 provides that the Legislative Management is to contract with a consultant to study guardianship services for vulnerable adults in the state. The study must include an analysis of the need for guardianship services in the state; the establishment of guardianships; petitioning costs and other costs associated with providing guardianship services; the entities responsible for guardianship costs; and the interaction between the courts, counties, state agencies, and guardianship organizations regarding guardianship services. The consultant is to provide periodic reports and is to present the final report and recommendations regarding the study before June 1, 2012. The Human Services Committee has been assigned this responsibility for the 2011-12 interim.

The Legislative Management also provided that the Human Services Committee is to study the efficacy of statutes governing public administrator services and methods for the timely and effective delivery of guardianship and public administrator responsibilities and services.

REQUEST FOR PROPOSAL

On August 31, 2011, the Legislative Council issued a request for proposal for consultant services for assistance in a study of guardianship services for vulnerable adults in North Dakota. The specific areas the study is to address are:

1. The need for guardianship services in the state - Review the number of guardians appointed by the courts and identify the unmet need for guardianship services in the state.
2. The establishment of guardianships - Review the services available for assistance with the establishment of guardianships and the process for the establishment of guardianships and recommend proposed changes.

3. Petitioning and other costs - Identify petitioning and other costs associated with providing guardianship and public administrator services and financial assistance available.
4. The entities responsible for guardianship and public administrator costs - Identify the entities currently responsible for guardianship and public administrator costs.
5. The interaction between the courts, counties, state agencies, and guardianship organizations regarding guardianship services - Review the duties and responsibilities of these entities and the cooperation/collaboration and interaction between and among the entities associated with guardianship and public administrator services and recommend proposed changes.
6. The efficacy of statutes governing guardianship and public administrator services - Review the statutes governing guardianship and public administrator services, evaluate the effectiveness of the statutes, and recommend proposed changes.
7. Methods for the timely and effective delivery of guardianship and public administrator responsibilities and services - Determine the appropriate duties and responsibilities for entities involved in guardianship services, financial responsibilities, and the appropriate role for public administrators in providing guardianship services. Provide estimated costs for guardianship services for the 2013-15 biennium by recommended entity responsible for these costs.

Proposals were due to the Legislative Council office on Friday, September 30, 2011.
