

## EMERGENCY SERVICES TRAINING FACILITIES

This memorandum provides information on emergency services training facilities located in the state that are owned by political subdivisions or the North Dakota National Guard. The information does not include Highway Patrol training facilities. The following organizations were asked to provide information regarding facilities utilized for emergency services training--Adjutant General, North Dakota Firefighters Association (NDFA), Peace Officers Association, North Dakota Association of Counties, State Department of Health Emergency Medical Services Division, Bismarck Police Department (BPD), Department of Corrections and Rehabilitation (DOCR), and the Grand Forks Public Safety Center. Training facilities listed are limited to those used for training involving physical activity versus a classroom-type setting. Information provided includes the facility owner, location, description, and users of the facility as follows:

Facility	Owned By	Location	Description	Used By
Bismarck Civic Center	City of Bismarck	315 South 5 <sup>th</sup> Street Bismarck, ND 58501	<b>Parking lot</b> • Emergency vehicle operations driver testing in parking lot	NDFA leases for training - Costs vary by event.

Lake Region State College peace officer training program uses parking lot for emergency driving training. <sup>5</sup>
Wahpeton AFRC	State of North Dakota - Adjutant General	2003 4th Street North Wahpeton, ND 58075	<b>Firing range</b> <ul style="list-style-type: none"> <li>• Armory indoor range - 5 lanes, 50 feet, computerized, limited to .22 caliber rifles or pistols using target loads (magnum loads not permitted)</li> </ul>	North Dakota National Guard, National Guard soldiers from other states, active duty soldiers, and law enforcement from federal, state, and local entities  Cost to use facility varies by training type and includes costs for associated utilities, manpower, and materials.

<sup>1</sup>The BPD outdoor range was paid for from federal funding as Phase 1 of a complete training complex--the 9-11 Memorial Police and Fire Training Complex. Federal funding for completion of the project as initially planned is not expected. The city has expressed willingness to donate the land to complete the training complex with the state. The BPD outdoor range is included in the Highway Patrol proposed training complex.

<sup>2</sup>Lake Region State College does not have a driving track or pistol range and long gun range. Lake Region State College peace officer training program students travel to Minot to use the state fairgrounds parking lot for emergency driving training. Students use the Lake Region Shooting Sports Association pistol range and long gun range.

<sup>3</sup>Fargo Regional Training Center does not have a driving track or long gun range. Lake Region State College peace officer training program uses Red River Valley Fairgrounds parking lot and the Hector International Airport for emergency driving training.

<sup>4</sup>Grand Forks Public Safety Center does not have a driving track. Lake Region State College peace officer training program uses the Grand Forks Air Force Base helipad for emergency driving training.

<sup>5</sup>Lake Region State College peace officer training program in Minot uses the firing ranges of the Minot Rifle and Pistol Club--a privately owned association. The club has a 25-yard, 15-lane indoor pistol range and outdoor long gun range. The approximate cost to use the facility is \$6,000.
