

STATE AID DISTRIBUTION PERCENTAGES

This memorandum provides information on the state aid distribution fund formula for distribution of a portion of sales, use, and motor vehicle excise tax collections to counties and cities.

North Dakota Century Code Section 57-39.2-26.1 provides that a portion of sales, use, and motor vehicle excise tax collections equal to 40 percent of an equivalent one-cent sales tax be deposited in the state aid distribution fund and distributed 53.7 percent to counties and 46.3 percent to cities. The allocation formula for specific counties and cities is:

Population Category Effective July 1, 2011		
Counties	Percentage	Cities
17 counties with the largest population (allocated equally)	20.48%	Based upon the proportion each city's population bears to total population
17 counties with the largest population (allocated based on population)	43.52%	
Remaining counties (allocated equally)	14.40%	
Remaining counties (allocated based on population)	21.60%	
Total	100.00%	

The schedules below provide information on the percentage of funds distributed to each county and city from the state aid distribution fund. The population data is based on the 2010 federal census.

County	Population	County Share	
		Percentage of County Share	Percentage of Total Distribution
Adams	2,343	0.8192%	0.4399%
