

PROPERTY TAXES AND ASSISTANCE TO POLITICAL SUBDIVISIONS - 2005-07 BIENNIUM TO 2013-15 BIENNIUM

The charts below provide information on actual property tax collections levied by political subdivisions for calendar years 2005 through 2012 and a Tax Department estimate of property tax collections levied for calendars years 2013 and 2014, information on state assistance to political subdivisions for the 2005-07 biennium through the 2013-15 biennium, and the combined total of total property tax collections and state assistance to political subdivisions for these time periods. For example, the amount shown for property tax collections in 2005-06 reflects property taxes levied by political subdivisions in 2005-06 and collected in 2006-07.
