

SURVEY OF AGENCY SPACE NEEDS IN THE BISMARCK AREA

The interim Government Services Committee has been assigned a study of facility needs of state agencies located in the Bismarck area pursuant to Section 37 of 2013 House Bill No. 1015. This study includes an evaluation of current and projected facility needs of state agencies, facilities on the Capitol grounds currently being used by state agencies, and facilities owned or leased by state agencies that are not located on the Capitol grounds. The committee, at its January 16, 2014, meeting asked the Legislative Council staff to conduct a survey of state agencies in the Bismarck area to collect information on space usage and needs. A summary of the results of the survey responses are below.

Governor's Office
