

CITIES THAT MAY FILE ANNUAL REPORTS IN LIEU OF BIENNIAL AUDITS

North Dakota Century Code Section 54-10-14 requires the State Auditor to audit cities once every 2 years, subject to certain exceptions. Cities with a population of less than 500 may file an annual report with the State Auditor's office in lieu of receiving a biennial audit. The following table provides the name and population of each city with a population of less than 500.
