

**FUNDING FOR JUVENILE PROGRAMS**

The schedule below details funding for state agency programs that directly benefit juveniles in the state, except for state school aid-related funding programs for the general education of students.

Agency	Program Name	Program Description	2017-19 Biennium Program Funding		
			General Fund	Other Funds	Total
Department of Public Instruction	Safe and healthy schools	The federal Centers for Disease Control and Prevention Youth Risk Behavior Survey funds are used for the collection of data from students regarding risk behaviors. State funds are used for staff to meet statutory requirements and provide resources, technical assistance, professional development, and training to school staff across the state for prevention of youth risk behaviors.	\$472,210	\$253,734	\$725,944
State Department of Health	Child passenger safety	Provides for the purchase of car seats, training, and projects designed to increase child restraint and seatbelt use by young children.	7,417	349,978	357,395
	Abstinence education program	Provides for an abstinence education program in schools and to address other risk reduction topics, including tobacco, alcohol, and other drugs; and 1-day training sessions for peer advocates.	2,538	110,994	113,532
Indian Affairs Commission	Youth Leadership Academy	The North Dakota Indian Youth Leadership Academy creates and fosters an environment for native youth to learn and enhance leadership skills and create opportunities that are used in their respective local communities, throughout the state of North Dakota, and the nation.	49,300	20,000	69,300
Department of Career and Technical Education	Secondary grants to school districts and area centers	The Department of Career and Technical Education provides funding to secondary schools for costs related to career and technical education courses, such as agriculture, business education, marketing, technology and engineering, and trade, industry, and technical education.	20,380,020	4,941,912	25,321,932
Department of Corrections and Rehabilitation	Youth services	The Division of Juvenile Services operates the Youth Correctional Center and eight regional community-based services offices. The community services staff provide comprehensive case management and community-based correctional services to youth in the state while juvenile corrections specialists provide community services and correctional case management across eight regions.	25,600,636	5,139,873	30,740,509
Judicial branch	Juvenile court	Juvenile court has exclusive jurisdiction over all youth under the age of 18 who have been referred to the court as a result of delinquent or unruly behavior, or children who are alleged to have been subjected to child deprivation. The court also has exclusive jurisdiction with the district courts over guardianships of minor children.	14,639,979	8,350	14,648,329

Agency	Program Name	Program Description	2017-19 Biennium Program Funding		
			General Fund	Other Funds	Total
Department of Human Services	Foster care	Foster care is out-of-home care for children whose parents are unable or refuse to provide for their children's needs. It includes food, clothing, shelter, security, safety, and guidance.	27,628,491	51,284,447	78,912,938
	Children's health insurance program	Provides low-cost health coverage to children whose families do not qualify for Medicaid and have income levels that do not exceed 175 percent of the federal poverty level.	1,859,176	13,647,606	15,506,782
	Subsidized adoption	Adoption subsidies provide support that helps adoptive families access medical care, counseling or therapy, special equipment, tutoring programs, and other supports that help them raise children with special needs.	22,589,546	13,328,137	35,917,683
Total			\$113,229,313	\$89,085,031	\$202,314,344
