**NOTE:** The amounts shown on the schedule above do not reflect:

1. Additional spending requests that may be submitted relating to:
  - a. Higher education inflationary increases;
  - b. Department of Corrections and Rehabilitation increased costs associated with inmate increases;
  - c. State building, road, and other infrastructure projects;
  - d. Special transportation and infrastructure distributions to political subdivisions; and
  - e. Other agency budget requests, Governor's recommendations, and legislative initiatives.
2. Additional sources of funding that could be available, including:
  - a. Strategic investment and improvements fund balance (estimated balance of \$544.5 million on July 1, 2023).
  - b. Bank of North Dakota profits in excess of the identified ongoing transfer amount.
  - c. Legacy fund earnings available at the end of the 2021-23 biennium.
  - d. The tax relief fund balance is projected to total \$201.2 million on July 1, 2023. These funds would be available for continuing the payment of county social services and for other purposes.
  - e. Legacy fund principal (up to 15 percent upon approval by two-thirds of the Legislative Assembly).
  - f. Foundation aid stabilization fund uncommitted balance (estimated \$140 million). These funds are needed to continue the ongoing funding used from this fund during the 2021-23 biennium for state school aid.

<sup>1</sup>Base-level ongoing revenues and other revenues and transfers for the 2021-23 biennium and 2023-25 biennium reflect the 2021 legislative revenue forecast and annual increases in revenues of 3 percent.

<sup>2</sup>The current budget stabilization fund balance and limit is \$748.9 million. For purposes of this report, no transfer from the general fund to the budget stabilization fund is reflected at the end of the 2021-23 biennium or 2023-25 biennium. Any transfers that may occur are dependent on the ending general fund balance and total general fund appropriations approved by the 2023 and 2025 Legislative Assemblies.
