The Department of Corrections and Rehabilitation has bonds outstanding for capital construction projects at the State Penitentiary, the James River Correctional Center, and the Youth Correctional Center and for an energy improvement project at the Missouri River Correctional Center. Each biennium, funds are appropriated to the Department of Corrections and Rehabilitation for the bond payments. For the 2005-07 biennium, $540,052 was appropriated from the general fund to the Youth Correctional Center and $2,498,534 was appropriated from the general fund to the Prisons Division for the bonds payments.
