

## **ESTIMATED CORONAVIRUS (COVID-19) PANDEMIC FEDERAL FISCAL RELIEF FUNDING**

This memorandum provides information regarding estimated federal funding that may be available to North Dakota state and local government agencies as a result of fiscal relief legislation passed by the federal government in response to the Coronavirus (COVID-19) pandemic and amounts approved by the Budget Section to date.

### **UNITED STATES HOUSE OF REPRESENTATIVES BILL NO. 6074**

On March 6, 2020, President Donald Trump signed a \$8.3 billion bill to provide economic stimulus to states, territories, and tribes. The bill, also called the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020, allocates:

- \$3.4 billion to the federal public health and social services emergency fund for vaccine efforts, therapeutics, diagnosis, medical supplies, medical surge capacity building, health services, and oversight;
- \$2.2 billion to the Centers for Disease Control and Prevention (CDC) for federal, state, and local public health efforts, surveillance, testing, infection control, mitigation, and replenishing funds;

**Of this funding, the CDC may use approximately \$1.05 billion to reimburse state, local, and tribal governments for expenses incurred since January 2020 related to COVID-19. The funding may be in the form of grants or cooperative agreements.**

- \$985 million for global health programs by supporting health systems overseas, international disaster assistance, and economic support;
- \$836 million to the National Institutes of Health for research and development of vaccines, therapeutics and diagnostics, and training to reduce exposure of hospital employees and first responders;
- \$500 million for temporary reimbursement for telehealth for all Medicare enrollees;
- \$264 million to the Department of State for consular operations, emergency evacuation, and other preparedness efforts; and
- \$82 million for other purposes, such as the Food and Drug Administration, Small Business Administration, and United States Agency for International Development.

### **UNITED STATES HOUSE OF REPRESENTATIVES BILL NO. 6201**

On March 18, 2020, President Trump signed the Families First Coronavirus Response Act (FFCRA), which provides the following:

- \$1.2 billion to the National Disaster Medical System for the reimbursement of costs for testing uninsured individuals for COVID-19;

- **\$1.0 billion for emergency transfers to states to pay for unemployment benefits;**

**Each state would receive a proportional amount based on the share of federal unemployment insurance taxes paid by its employers. Of the total, \$500 million is for immediate funding to all states for staffing, technology, systems, and other administrative costs. The remaining \$500 million would be distributed to states if a state's unemployment claims increased by at least 10 percent over the same quarter in the previous year.**

Eligible laid-off workers can receive regular unemployment benefits for as long as 26 weeks. After exhausting those benefits, individuals in states with rising unemployment can qualify for an additional 13 weeks of benefits through the extended benefit program. The state matching requirement for the extended benefits program is waived for the rest of calendar year 2020.

- \$250 million for Department of Health and Human Services for the elderly, including \$160 million for home-delivered nutrition services, \$80 million for congregate nutrition services (such as adult day care centers and meal sites), and \$10 million for nutrition services for Native Americans;
- \$500 million for the women, infants, and children program;
- \$400 million for the commodity assistance program for emergency food assistance;
- \$64 million to the Indian Health Service;
- Provides additional supplemental nutritional assistance program (SNAP) aid to children and families when a child's school is closed for at least 5 days due to COVID-19 public health emergency;
- Increases state federal medical assistance percentages (FMAP) by 6.2 percent. This applies to regular FMAP and not for Expanded Medicaid rates under the Affordable Care Act;
- Requires most employers to provide emergency sick leave to employees, excluding governmental entities. Employers will be eligible for a refundable tax credit to offset costs of providing the leave; and
- Requires private sector employers with 500 or fewer workers and government entities to provide 12 weeks of job-protected leave, of which the first 2 weeks are unpaid, under the Family and Medical Leave Act for employees who must be quarantined because of exposure to the virus, is providing care to a family member who must be quarantined, or must provide care to a child younger than 18 years of age whose school or day care has closed because of the virus.

### **UNITED STATES HOUSE OF REPRESENTATIVES BILL NO. 748**

On March 27, 2020, President Trump signed a \$2.2 trillion bill to provide economic stimulus to states, territories, and tribes. The bill, also called the Coronavirus Aid, Relief, and Economic Security (CARES) Act:

- Creates a \$500 billion lending fund for businesses, cities, and states, including major industry corporations, such as the airline industry companies;
- Provides \$350 billion for a paycheck protection program to incentivize small businesses to continue paying workers;
- Creates a \$150 billion federal Coronavirus Relief Fund for state, local, and tribal governments, of which **North Dakota received \$1.25 billion;**

Of this amount, \$8 billion is for tribal entities, \$3 billion is for United States territories including the District of Columbia and Puerto Rico, and \$139 billion is for the states. The \$139 billion dedicated for states will be distributed based on population. Every state will receive a minimum of \$1.25 billion.

Local governments with populations of at least 500,000 may request a direct payment from the treasury secretary. State distributions are reduced by the local payment, but the portion of a state's distribution which can be provided directly to local governments is capped at 45 percent, resulting in states receiving at least 55 percent of the total distribution.

Funds may be used for necessary expenditures incurred due to COVID-19 which were incurred between March 1, 2020, and December 30, 2020, and were not accounted for in the most recently approved state budget.

- Provides an additional \$190 billion to state and local governments for higher education, K-12 schools, family programs, block grants, and other programs to respond to the COVID-19 pandemic;
- Provides \$179.5 billion for public services, including \$100 billion for hospitals and \$20 billion for veterans' health care;
- Provides \$45 billion for the federal disaster relief fund for the immediate needs of state, local, tribal, and territorial governments to protect citizens and help them respond and recover from the effects of COVID-19;
- Provides \$44 billion for temporary suspension of principal and interest payments on federally held student loans through September 30, 2020;
- Creates a \$30 billion education stabilization fund for states, school districts, and institutions of higher education for cost related to COVID-19;
- Provides \$25 billion for transit systems, to be distributed through existing formulas, such as urbanized area formula grants and formula grants for rural areas, using federal fiscal year 2020 apportionment formulas;
- Provides \$4.3 billion for the CDC to provide support to federal, state, and local public health agencies to prevent, prepare for, and respond to the pandemic;
- Provides \$1.4 billion for deployments of the National Guard. This funding is expected to sustain up to 20,000 members of the National Guard providing state and local support, as directed by the governors of each state, for 6 months;
- Provides \$400 million in election security grants to prevent, prepare for, and respond to COVID-19 in the 2020 federal election cycle;
- Provides approximately \$300 billion to distribute direct payments of \$1,200 to citizens with certain income levels and \$500 for each dependent child;
- Extends the Real ID deadline for full implementation by states from October 1, 2020, to September 30, 2021; and
- Expands unemployment insurance from 3 to 4 months, and provides temporary unemployment compensation of \$600 each week, which is in addition to and the same time as regular state and federal unemployment insurance benefits. The CARES Act included \$260 billion for the additional federal unemployment compensation programs.

### **UNITED STATES HOUSE OF REPRESENTATIVES BILL NO. 266**

On April 24, 2020, President Trump signed a \$484 billion bill to provide additional funding for the paycheck protection program, hospitals, and increased COVID-19 testing. The bill, also called the Paycheck Protection Program and Health Care Enhancement Act provides for the following:

- \$320 billion for the paycheck protection program, providing a total of \$670 billion for the program;
- \$75 billion to reimburse health care providers for health care-related expenses or lost revenues that are attributable to the COVID-19 outbreak;
- \$60 billion of emergency disaster loans and grants for financial institutions;
- \$25 billion to research, develop, validate, manufacture, purchase, administer, and expand capacity for COVID-19 tests to effectively monitor and suppress COVID-19 testing.

**Of this amount, \$11 billion is for state, local, and tribal governments; and**

- \$2 billion for salaries and expenses of the Small Business Administration to administer programs related to COVID-19.

**CORONAVIRUS RELIEF FUND**

Of the \$150 billion Coronavirus Relief Fund established in United States House of Representatives Bill No. 748, North Dakota was allocated \$1.25 billion for direct costs associated with the COVID-19 pandemic. The costs:

1. Must be necessary due to the COVID-19 pandemic;
2. Cannot be accounted for in the most recently approved budget; and
3. Must be incurred during the period March 1, 2020, through December 30, 2020.

In April 2020, North Dakota received its \$1.25 billion allocation from the federal Coronavirus Relief Fund. From May through August 2020, the Budget Section allocated the entire \$1.25 billion to state agencies and political subdivisions. In September and October 2020, state agencies and political subdivisions returned \$251,430,286 of this funding. In November 2020, state agencies returned \$35 million of this funding. **As of December 3, 2020, the Budget Section has approved funding requests for the entire \$1.25 billion, including \$1.13 billion from state agencies and \$122.76 million from political subdivisions, from the state's allocation from the federal Coronavirus Relief Fund,** as follows:

Agency	Planned Use of Funding	Funding Approved by Budget Section
<b>State Government</b>		
101 - Governor	Salary costs for a COVID-19 pandemic dedicated temporary employee working 50 percent during April and May 2020.  <b>NOTE:</b> Through September 2020, the Governor was allocated \$18,085 from the federal Coronavirus Relief Fund. In October 2020, \$2 of this funding was returned, resulting in a total of \$18,083 approved for the agency.	\$18,083
108 - Secretary of State	Overtime for vote-by-mail election managers, election supplies, personal protective equipment, cleaning supplies, and physical barriers.	49,216
110 - Office of Management and Budget	<ol style="list-style-type: none"> <li>1. \$158,125 - Purchase touchless bathroom fixtures for buildings on the State Capitol grounds, replacement of State Capitol west entrance door with an automatic door, and for cleaning contract work.</li> <li>2. \$856,100 - Mechanical equipment ionizers.</li> <li>3. \$5,000,000 - Grants to private higher education institutions, which will be distributed using the allocation methodology used by the federal Department of Education for higher education emergency relief funds included in the CARES Act. The allocation methodology is based on student enrollment, with priority given to institutions with greater enrollment of Pell Grant-eligible students. The allocations are as follows: <ul style="list-style-type: none"> <li>• Candeska Cikana Community College - \$218,522;</li> <li>• Hair Academy - \$69,258;</li> <li>• Josef's School of Hair - \$185,705;</li> </ul> </li> </ol>	7,003,055

Agency	Planned Use of Funding	Funding Approved by Budget Section
112 - Information Technology Department	<ul style="list-style-type: none"> <li>• Lynnes Welding Training - \$23,974;</li> <li>• Nueta Hidasta Sahnish College - \$84,294;</li> <li>• Salon Professional Academy - \$135,312;</li> <li>• Sitting Bull College - \$377,735;</li> <li>• Trinity Bible College - \$205,855;</li> <li>• Turtle Mountain Community College - \$954,727;</li> <li>• United Tribes Technical College - \$342,387;</li> <li>• University of Jamestown - \$855,040; and</li> <li>• University of Mary - \$1,547,191.</li> </ul> <p>4. \$70,000 - Replacement of north doors of the State Capitol and east doors of the Judicial wing.</p> <p>5. \$918,830 - Private school distributions for COVID-19-related expenditures, equating to \$110 per student.</p> <p>1. \$17,000,000 - Funding to be used for cybersecurity to address an increase in security incidents related to the COVID-19 pandemic. Costs will include contractor support, additional software and licenses, staff training, and on-call third party support for large scale incidents.</p> <p>2. \$23,118,226 - Funding to be used for telework needs, including upgrading Microsoft Office 365, and purchasing equipment, such as laptops, headsets, and network and server hardware to meet additional capacity needed for state employees working remotely.</p> <p><b>NOTE:</b> In May 2020, the Budget Section approved a request of \$67,618,226 from the Information Technology Department, of which \$23,868,226 was for telework initiatives. In June 2020, the Budget Section approved a request to use up to \$750,000 of the funding approved for telework initiatives for the Legislative Assembly. See the Legislative Assembly below for more information.</p> <p>3. \$26,750,000 - Funding to be used for digital government costs to establish an enterprise level call center, automate manual processes, and conduct an assessment of state employee remote work capabilities.</p> <p><b>NOTE:</b> Through November 2020, the Information Technology Department was allocated \$67,368,226 from the federal Coronavirus Relief Fund, of which \$26,760,000 was for digital government initiatives. In December 2020, \$5 million of this funding was returned, resulting in a total of \$62,368,226 approved for the agency, of which \$21,750,000 was for digital government initiatives.</p> <p>4. \$500,000 - Funding for broadband grants to school districts based on broadband connectivity needs for underprivileged households with school-aged children. Grants will be award in consultation with the Department of Public Instruction using information such as the percentage of students eligible for free and reduced-price meals in each school district.</p>	62,368,226

Agency	Planned Use of Funding	Funding Approved by Budget Section
117 - State Auditor	<p><b>NOTE:</b> In September 2020, the Budget Section approved a transfer of \$500,000 from the Information Technology Department to the Department of Public Instruction for this program.</p> <p>Purchase of telework equipment.</p>	10,866
127 - Tax Commissioner	<p><b>NOTE:</b> Through September 2020, the State Auditor was allocated \$13,903 from the federal Coronavirus Relief Fund. In October 2020, \$3,037 of this funding was returned, resulting in a total of \$10,866 approved for the agency.</p> <p>Purchase of telework equipment, personal protective equipment, and a secure drop box for the Capitol.</p>	28,601
140 - Office of Administrative Hearings	Sanitation supplies and COVID-19 signage.	522
150 - Legislative Assembly	<ol style="list-style-type: none"> <li>1. \$750,000 - Funding to be received from the Information Technology Department to implement audio and video conferencing equipment and software in legislative committee rooms to allow for remote meetings.</li> <li>2. \$1,250,000 - Purchase of equipment, including new voting boards, in legislative chambers to allow for remote meetings and if necessary, a remote legislative session.</li> <li>3. \$1,100,000 - Funding for creating larger legislative committee meeting space to allow for social distancing in preparation for the possibility of a special session and for organizational session in early December 2020. The funds will be used for equipping the Brynhild Haugland room and four other rooms in the Capitol with audio, video, and livestreaming capabilities as well as other office equipment, furniture, dividers, and supplies for the rooms. The amount also includes funding to purchase protective equipment for legislators and staff.</li> </ol>	3,100,000
160 - Legislative Council	Purchase of cleaning supplies and physical barriers, as well as the cost of service fees from October through December 2020 for remote software installed in legislative committee rooms and chambers.	100,000
180 - Judicial branch	Purchase of telework equipment, cleaning and personal protective equipment supplies, and salary costs.	312,212
201 - Department of Public Instruction	<ol style="list-style-type: none"> <li>1. \$30,000,000 - Education Corps grants - To provide grants to school districts for additional staffing needs and other support and services to K-12 students due to the COVID-19 pandemic. Each school district will receive a base allocation of \$30,000 and an additional allocation of \$217.21 per student.</li> </ol> <p><b>NOTE:</b> In September 2020, the Budget Section approved a request to reallocate \$30 million to the Department of Public Instruction that was previously approved for the Bank of North Dakota. See the <b>Bank of North Dakota</b> for more information.</p> <ol style="list-style-type: none"> <li>2. \$33,816,217 - Resiliency grants - To be distributed and used by schools for technology, mental health support for staff and students, physical environmental improvements, and support for recruitment of</li> </ol>	63,816,217

Agency	Planned Use of Funding	Funding Approved by Budget Section
226 - Department of Trust Lands	<p>employees. Each school district will receive a base allocation of \$30,000 and an additional allocation of approximately \$250 per student.</p> <p><b>NOTE:</b> In October 2020, the Budget Section approved a request to reallocate any unspent funding from the grants to school districts for additional staffing program for funding to schools for technology, mental health support for staff and students, physical environmental improvements, and support for recruitment of employees.</p> <ol style="list-style-type: none"> <li>1. \$100,000 - Due to the COVID-19 pandemic, the department could not conduct in-person auctions. Instead, the department conducted online surface lease auctioning, incurring a 3 percent convenience fee from the auction platform vendor.,</li> <li>2. \$20,000 - The funding will be used for a shut-in well analysis due to an increase in shut-in oil and gas well requests as a result of the COVID-19 pandemic. The funds were requested based on economic scenarios to estimate shut-in wells and production and the department's related cashflow. The analysis will allow the department to better manage cashflows and disbursements obligations through cash deposits instead of selling investments.</li> </ol> <p><b>NOTE:</b> Through September 2020, the Department of Trust Lands was allocated \$120,000 from the federal Coronavirus Relief Fund. In October 2020, \$1,700 of this funding was returned, resulting in a total of \$118,300 approved for the agency. In December 2020, an additional \$24,165 was returned, resulting in a total of \$94,135 approved for the agency.</p>	94,135
<p>North Dakota University System</p> <p>215 - North Dakota University System office</p> <p>227 - Bismarck State College</p> <p>228 - Lake Region State College</p> <p>229 - Williston State College</p> <p>230 - University of North Dakota</p> <p>235 - North Dakota State University (NDSU)</p> <p>238 - North Dakota State College of Science</p> <p>239 - Dickinson State University</p> <p>240 - Mayville State University</p> <p>241 - Minot State University</p> <p>242 - Valley City State University</p> <p>243 - Dakota College at Bottineau</p>	<p>Requests for funding from the state's allocation from the Coronavirus Relief Fund for higher education in June 2020 totaled \$44.5 million. The funding is for protective supplies, health services supplies, cleaning supplies, virtual simulators, classroom and facility restructuring, technology needs, telework equipment and software, instructional design resources, academic technology and software, the Dakota Digital Academy to target unemployed North Dakota residents for enrollment, and staff overtime.</p> <p>Requests for funding from the state's allocation from the Coronavirus Relief Fund for higher education in August 2020 totaled \$17.4 million. The funding is for cleaning supplies and equipment, remote behavioral health services, personal protective equipment, cleaning staff payroll, and heating, ventilation, and air conditioning modifications and filters.</p> <p>Requests for funding from the state's allocation from the federal Coronavirus Relief Fund for higher education in October 2020 totaled \$5.2 million. The funding is for expenses related to quarantining individuals, cleaning supplies and equipment, medical and protective staff costs, and academic technology expenses.</p> <p><b>NOTE:</b> See below for additional information regarding funding requests approved for higher education institutions:</p> <ul style="list-style-type: none"> <li>• 215 - University System office - Through September 2020, \$1,668,787 was allocated from the federal Coronavirus Relief Fund. 316 - Indian Affairs Commission	allowable at this time (\$19,998), purchase of personal protective equipment (\$10,000), disinfecting and sanitizing chemicals (\$10,000), salary expenditures related to COVID-19 (\$105,000), and staffing agency expenditures (\$20,000). Travel expenses to deliver personal protective equipment, testing, and meeting costs.	20,915
321 - Department of Veterans' Affairs	Purchase of ultraviolet sanitizers and telework equipment	2,860
325 - Department of Human Services	<ol style="list-style-type: none"> <li>1. \$48,900,000 - Child care emergency operations grants and personal protective equipment grants to qualified service providers.</li> <li>2. \$2,900,000 - Household emergency rent bridge grant program, which is available to qualified individuals unable to pay rent due to the COVID-19 pandemic. The funding will be provided to landlords to assist in preventing homelessness. This funding is in addition to the \$6,934,942 of federal funds approved for the Department of Human Services to receive from the Department of Commerce from community development block grant funding.</li> <li>3. \$1,674,276 - Increased costs for meal delivery services for elderly and vulnerable populations, costs related to telehealth services, and additional cleaning and supplies at the State Hospital and Life Skills and Transition Center.</li> <li>4. \$1,000,000 - Funding for three pilot programs for infection control at long-term care facilities, including funding for additional sanitation compliance costs.</li> <li>5. \$500,000 - Consultant service costs to convert processes from paper to electronic due to telework needs.</li> <li>6. \$285,000 - County social services costs, including overtime, personal protective equipment, and telework costs, such as the purchase of laptops.</li> <li>7. \$576,000 - Long-term care facility equipment and COVID-19 data collection surveys.</li> <li>8. \$66,232 - Cost of supplies and a Polycom system upgrade at the State Hospital.</li> <li>9. \$1,227,209 - Telehealth upgrades, digital stethoscopes, development of electronic forms for patients to utilize kiosks in office or online instead of directly contacting staff, psychological testing electronic forms, and stationary temperature scanners.</li> <li>10. \$150,000 - Child care surveys to determine COVID-19 impacts.</li> <li>11. \$160,520 - Funding for Great Plains Food Bank.</li> <li>12. \$1,050,000 - Temporary staff and operating costs related to COVID-19 responses.</li> <li>13. \$1,700,000 - Community-based behavioral health services.</li> <li>14. \$100,000 - Portable ionizers for group rooms and medical clinics.</li> <li>15. \$2,600,000 - Heating, ventilation, and air conditioning air purification system grants for skilled nursing facilities.</li> </ol>	61,103,911

Agency	Planned Use of Funding	Funding Approved by Budget Section
380 - Job Service North Dakota	<p><b>NOTE:</b> Through September 2020, the Department of Human Services was allocated \$48,042,717 from the federal Coronavirus Relief Fund. In October 2020, \$1,785,326 of this funding was returned and the Budget Section approved a request of \$14,846,520 for 10 programs, resulting in a total of \$61,103,911 approved for the agency.</p> <ol style="list-style-type: none"> <li>\$355,600,000 - Funding to be transferred to the unemployment insurance trust fund to pay for state unemployment insurance claims and to minimize the impact to employer tax rates.</li> </ol> <p><b>NOTE:</b> This funding will not be used for costs related to federal unemployment programs. The federal government will be reimbursing Job Service North Dakota for claims paid from the unemployment insurance trust fund related to federal pandemic unemployment compensation benefits (\$600 weekly benefit), the 13-week pandemic emergency unemployment compensation extension program, and the pandemic unemployment assistance program for self-employed individuals.</p> <ol style="list-style-type: none"> <li>\$12,381,213 - Funding to be transferred to the unemployment insurance trust fund for reimbursable group premiums related to COVID-19 unemployment costs. The funding will be used to reimburse employers 50 percent of unemployment benefit costs incurred as a result of the COVID-19 pandemic.</li> <li>\$4,400,000 - Funding for temporary staff and overtime costs (\$2.2 million), contractual services for mainframe application management (\$500,000), and other COVID-19-related costs, primarily for information technology programming costs for new federal unemployment insurance benefits programs (\$1.7 million).</li> </ol> <p><b>NOTE:</b> Through September 2020, Job Service North Dakota was allocated \$410,000,000 from the federal Coronavirus Relief Fund to pay for state unemployment insurance claims and to minimize the impact to employer tax rates. In October 2020, \$50,000,000 of this funding was returned and the Budget Section approved a request of \$9,727,570 for reimbursable group premiums, resulting in a total of \$369,727,570 approved for the agency.</p> <p>In December 2020, the Budget Section approved a request for an additional \$2,653,643 for reimbursable group premiums, resulting in a total of \$12,381,213 for the program and \$372,381,213 for the agency. The Budget Section also approved a request to reallocate \$4.4 million of the previously approved \$360 million for various COVID-19 expenditures, resulting in \$355.4 million approved to be transferred to the unemployment insurance trust fund to pay for state unemployment insurance claims and to minimize the impact to employer tax rates.</p>	372,381,213
405 - Industrial Commission	<ol style="list-style-type: none"> <li>\$66,350,000 - Funding for abandoned well plugging (\$33,175,000) and reclamation (\$33,175,000) costs due to small oil and gas well owners that are not expected to survive the COVID-19 demand shock and will declare bankruptcy, resulting in the well plugging and reclamation becoming a responsibility of the state.</li> <li>\$1,513 - Zoom membership and upgrades, cleaning supplies, and thermometers.</li> <li>\$16,000,000 - Funding for a drilled but uncompleted well incentive grant to incentivize the completion of 80 wells by December 30, 2020. The grant program will reimburse up to \$200,000 for water acquisition and disposal cost per hydraulic fracture completion of up to 80 wells.</li> </ol>	65,476,513

Agency	Planned Use of Funding	Funding Approved by Budget Section
471 - Bank of North Dakota	<p><b>NOTE:</b> Through September 2020, the Industrial Commission was allocated \$66,351,513 from the federal Coronavirus Relief Fund. In October 2020, \$16,875,000 of this funding was returned and the Budget Section approved a request for \$16,000,000, resulting in a total of \$65,476,513 approved for the agency.</p> <ol style="list-style-type: none"> <li>1. \$30,000,000 - Funding for a COVID-19 disaster relief program similar to the PACE program to provide interest rate buydowns on loans to businesses for operating expenses.</li> <li>2. \$70,000,000 - Funding to establish a new program to provide one-time grants to businesses to assist with interest expenses on debt that was issued prior to the COVID-19 pandemic. Eligible businesses must have at least a 20 percent loss of gross revenue based on revenues from April 1, 2020, to September 30, 2020, compared to the same period 1 year prior. The grants are limited to the total interest expense incurred from April 1, 2020, to September 30, 2020, up to \$50,000 per eligible recipient. The grant awards will be prioritized based on the highest percentage loss in revenues.</li> </ol> <p><b>NOTE:</b> In May 2020, the Bank of North Dakota was allocated \$200 million from the federal Coronavirus Relief Fund for a COVID-19 disaster relief program. In September 2020, \$120 million of this funding was returned, of which \$30 million was reallocated to the Department of Public Instruction (See the <b>Department of Public Instruction</b> for more information), resulting in a total of \$80 million approved for the agency. Of the \$80 million, \$30 million was designated for the COVID-19 disaster relief program and \$50 million was designated for a new program to provide one-time grants to businesses to assist with interest expenses on debt that was issued prior to the COVID-19 pandemic.</p> <p>In October 2020, the Budget Section approved a request for an additional \$20 million for the business debt interest expense grant program, resulting in \$70 million approved for the program and \$100 million approved for the agency.</p> <p>In December 2020, the Bank of North Dakota returned \$30 million, resulting in a total of \$70 million approved for the agency. The Budget Section approved a request to increase the allowable period to provide business assistance grants for interest expenses and revenue loss from 6 to 10 months for a new eligibility period of March 1, 2020, to December 30, 2020. The Budget Section also approved a request to allow the Bank of North Dakota to use available funding between the two approved programs to respond to business needs and applications for assistance.</p>	70,000,000
475 - Mill and Elevator Association	<ol style="list-style-type: none"> <li>1. \$32,332 - Overtime salaries.</li> <li>2. \$185,299 - Cleaning supplies, personal protective equipment, and freight rail costs to return flour shipments due to school closures.</li> </ol> <p><b>NOTE:</b> Through September 2020, the Mill and Elevator Association was allocated \$204,711 from the federal Coronavirus Relief Fund. In October 2020, \$100,941 of this funding was returned and the Budget Section approved a request for \$12,920, resulting in a total of \$116,690 approved for the agency.</p>	116,690
485 - Workforce Safety and Insurance	Funding to be transferred to the workmen's compensation fund for first responder workers compensation claims as well as telework expenses.	1,018,052

Agency	Planned Use of Funding	Funding Approved by Budget Section
504 - Highway Patrol	<ol style="list-style-type: none"> <li>1. \$404,094 - Overtime costs, personal protective equipment, remote learning information technology costs, and in-car laptops.</li> <li>2. \$13,500,000 - Sworn officer payroll from March 2020 through December 2020.</li> <li>3. \$15,000 - Purchase of three self-service temperature scanners to be placed at three Capitol entrances for use by state employees.</li> </ol>	13,919,094
530 - Department of Corrections and Rehabilitation	<ol style="list-style-type: none"> <li>1. \$3,835,020 - To pay counties for housing individuals sentenced but who have not been admitted to a department facility due to the COVID-19 pandemic.</li> <li>2. \$623,404 - Funding to pay for the offender per diem portion of the daily rate charged by community housing partners for individuals whose employment has been negatively impacted by the COVID-19 pandemic.</li> <li>3. \$120,000 - Overtime and related fringe benefits.</li> <li>4. \$313,839 - Cost of supplies, materials, services, and travel.</li> <li>5. \$347,926 - Purchase of telework equipment, such as laptops, printers, headsets, and microphones, and other equipment, such as security cameras, cots, projectors, touchless faucets, door openers, and vacuum cleaners.</li> <li>6. \$273,600 - Behavioral health costs of the free through recovery program.</li> <li>7. \$386,398 - Information technology training, equipment barriers, cots, lift station grinder pumps, and ventilated vans for transportation.</li> <li>8. \$6,070,522 - Payroll costs for correctional officers and medical staff, which meet the definition of a "public health and safety worker" and are considered to be substantially dedicated to mitigating or responding to the COVID-19 pandemic.</li> </ol> <p><b>NOTE:</b> Through September 2020, the Department of Corrections and Rehabilitation was allocated \$5,900,187 from the federal Coronavirus Relief Fund. In October 2020, \$800,000 of this funding was returned, resulting in a total of \$5,100,187 approved for the agency. In December 2020, the Budget Section approved a request for \$6,070,522 for payroll costs of correctional officers and medical staff, resulting in a total of \$11,170,709 approved for the agency.</p>	11,170,709
540 - Adjutant General	<ol style="list-style-type: none"> <li>1. \$10,000,000 - Purchase of equipment, personal protective equipment, cleaning supplies, and salaries costs.</li> <li>2. \$23,100,000 - Salaries, health insurance reimbursement, and travel costs of National Guard soldiers transitioning from federal status to state status.</li> <li>3. \$196,780 - Costs to upgrade the agency's computer-aided design system due to the COVID-19 pandemic.</li> </ol> <p><b>NOTE:</b> Through September 2020, the Adjutant General was allocated \$33,296,780 from the federal Coronavirus Relief Fund. In October 2020, \$17,148,520 of this funding was returned, resulting in a total of \$16,148,260 approved for the agency.</p>	16,148,260

Agency	Planned Use of Funding	Funding Approved by Budget Section
601 - Department of Commerce	<ol style="list-style-type: none"> <li>1. \$66,429,000 - To establish a North Dakota restart economic development grant program to provide grants to small businesses to increase sales and retain staff. Grants of up to \$50,000 may be provided to businesses with one location or \$100,000 if a business has multiple locations. The funding may be used to purchase personal protective equipment, costs associated with the recruitment of previously furloughed employees, and physical improvement expenses for safe business operations. Eligible businesses must prove financial viability prior to the COVID-19 pandemic, the business was negatively impacted by the pandemic, and that the funding will increase business COVID-19 resiliency.</li> <li>2. \$37,000,000 - To establish a hospitality economic resiliency grant for businesses most impacted by the COVID-19 pandemic. The program will be similar to the North Dakota restart economic development grant program, but the program will focus on hospitality-related industries, such as restaurants, grocery stores, and convention venues. Hospitality businesses are eligible for grants of up to \$25,000 per business, less any funds previously received from the North Dakota restart economic development grant program. If a business has multiple locations, grants of up to \$50,000 may be awarded to a business, less any funds previously received. Of the total, \$8 million was designated for grants to hotels.</li> <li>3. \$2,250,000 - Administrative costs of the North Dakota restart economic development grant program. The department intends to contract with a third party to process applications, which the department anticipates could be up to 10,000 applications.  <b>NOTE:</b> In December 2020, the Budget Section approved a Department of Commerce request to use available funding approved for administrative costs of the North Dakota restart economic development grant program for the hospitality economic resiliency grant program.</li> <li>4. \$1,000,000 - To establish a North Dakota smart restart technical skills training grant program to support workforce training programs for displaced workers seeking to develop technical skills necessary to make a career change and remain gainfully employed in North Dakota. The maximum grant amount is \$100,000. The program requires one dollar of matching funds for the training provider for each \$1 provided by the department.</li> <li>5. \$2,500,000 - For a health care and emergency responder COVID-19 grant program to be administered by the Department of Commerce and Workforce Safety and Insurance. Grants will be provided to health care and emergency response workers who test positive for COVID-19, incur medical results related to COVID-19, but do not qualify for workers compensation benefits. Emergency response workers are eligible for a grant of \$1,000 if the worker has health insurance coverage or \$5,000 if the worker does not have health insurance coverage.</li> </ol>	109,179,000
602 - Agriculture Commissioner	<ol style="list-style-type: none"> <li>1. \$6,200,000 - Funding for a meat processor cost-share program for meat processing plants to address increased demand for retail meat products and slaughter of livestock. Funding will be used for the purchase of various equipment to allow for increases in production and protection of the food supply.</li> <li>2. \$95,000 - Funding to purchase a database software program designed to gather and organize animal health data to detect, contain, and eradicate outbreaks of dangerous diseases in animals.</li> <li>3. \$5,000,000 - Funding for a competitive grant program provided to North Dakota research companies for COVID-19 research. Grants are available for research conducted related to biosensors and</li> </ol>	13,556,000

**OTHER ESTIMATED FEDERAL FISCAL RELIEF FUNDING FOR STATE AGENCIES**

The following is a summary of the federal fiscal relief funding that may be available to North Dakota state government agencies and the allowable uses of the funds, **excluding funding available from the Coronavirus Relief Fund**. With the exception of certain programs (see footnotes below), these estimates are provided from the Federal Funds Information for States (FFIS) and based on guidance from the federal government as of November 24, 2020. Excluding funding from the Coronavirus Relief Fund, estimated funding totals \$1.8 billion for state government agencies, including higher education institutions. **As of December 3, 2020, the Budget Section has received and approved state agency requests totaling \$319.1 million of federal fiscal relief funds under these programs related to the COVID-19 pandemic, excluding funding available from the Coronavirus Relief Fund.**

Agency	Allowable Uses of Funds	Potential Funding Available	Funding Approved by Budget Section
<p><b>108 - Secretary of State</b> Election security</p> <p>Total Secretary of State</p>	<p>Acceptable uses of the funds include replacing paperless voting machines, conducting postelection audits, addressing cyber vulnerabilities in election systems, providing election officials with cybersecurity training, instituting election system cybersecurity best practices, and making other improvements to the security of federal elections.</p>	<p>\$3,000,000</p>	<p>\$3,000,000</p>
<p><b>110 - Office of Management and Budget</b> Governor's emergency education relief fund</p>	<p>Section 18002(a) emergency education relief grants to the governor of each state to provide:</p> <ol style="list-style-type: none"> <li>1. Emergency support through grants to local educational agencies that the state educational agency deems have been most significantly impacted by COVID-19 to support the ability of local educational agencies to continue to provide educational services to their students and to support the ongoing functionality of the local educational agency;</li> <li>2. Emergency support through grants to institutions of higher education serving students within the state that the governor determines have been most significantly impacted by COVID-19 to support the ability of institutions to continue to provide educational services and support the ongoing functionality of the institution; and</li> <li>3. Support to any other institution of higher education, local educational agency, or education-related entity within the state that the governor deems essential for carrying out emergency educational services to students for authorized activities described in section 18003(d)(1) of the CARES Act or the Higher Education Act, the provision of child care and early childhood education, social and emotional support, and the protection of education-related jobs.</li> </ol> <p>A press release by the United States Department of Education on April 14, 2020, indicated the funding is an emergency block grant designed to enable governors to decide how best to meet the needs of students, schools (including charter schools and nonpublic schools), postsecondary institutions, and other education-related organizations.</p> <p>As a condition of receiving the funds, the state must agree to maintenance of effort requirements that provide state funding for elementary and secondary education during state fiscal years 2020 and 2021 will be an amount equal to or greater than the average</p>	<p><b>\$3,000,000</b></p> <p>\$5,932,707</p>	<p><b>\$3,000,000</b></p> <p>\$5,932,707</p>

Agency	Allowable Uses of Funds	Potential Funding Available	Funding Approved by Budget Section
	<p>state support provided for elementary and secondary education during state fiscal years 2017, 2018, and 2019. The maintenance of effort requirements also applies to state funding provided for postsecondary education.</p> <p>As of September 17, 2020, the Budget Section has approved the Office of Management and Budget to allocate the following from the governor's emergency education relief fund:</p> <ul style="list-style-type: none"> <li>• University System office - \$2,500,000. The funding will be used for a Higher Education COVID Impact Grants program to ensure University System institutions are able to respond to the changing educational needs of students receiving virtual instruction.</li> <li>• Department of Public Instruction - \$950,000. The funding will be used for a remote learning digital platform delivered through the Center for Distance Education (\$600,000) and a special education teacher scholarship program to address the shortage of qualified special education teachers in the state (\$350,000). The Office of Management and Budget will be distributing the remaining \$2,482,707 directly to local education agencies through a competitive grant process.</li> </ul>		
Total Office of Management and Budget		<b>\$5,932,707</b>	<b>\$5,932,707</b>
<b>125 - Attorney General</b> Justice assistance grants	Expenditures for staff overtime; equipment (including law enforcement and personal protective equipment); supplies (such as gloves, masks, and sanitizer); training; travel; addressing medical needs of inmates in state, local, and tribal prisons, jails and detention centers; and other items or projects related to the prevention, preparation, and response to the COVID-19 pandemic.	\$2,082,871	\$2,082,871

<b>201 - Department of Public Instruction</b> Elementary and secondary school emergency relief fund	<p>Section 18003(a) elementary and secondary school emergency relief grants to each state educational agency with an approved application. Each state must allocate not less than 90 percent of the funds as subgrants to local educational agencies in the state in proportion to the amount of funds local educational agencies received in the most recent fiscal year under Part A of Title I of the Elementary and Secondary Education Act (ESEA) of 1965. The CARES Act identified the following uses of the funds:</p> <ol style="list-style-type: none"> <li>1. Any activity authorized by the ESEA of 1965.</li> <li>2. Coordination of preparedness and response efforts of local educational agencies with state, local, tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.</li> <li>3. Providing principals and others school leaders with the resources necessary to address the needs of their individual schools.</li> </ol>	\$33,297,699	\$36,600,000

Agency	Allowable Uses of Funds	Potential Funding Available	Funding Approved by Budget Section
	<ol style="list-style-type: none"> <li>4. Activities to address the unique needs of low-income children or students, children with disabilities, English language learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including outreach and service delivery to meet the needs of each population.</li> <li>5. Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies.</li> <li>6. Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases.</li> <li>7. Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.</li> <li>8. Planning for and coordinating during long-term closures, including providing meals to eligible students, provide technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.) and ensuring other educational services can continue to be provided consistent with all federal, state, and local requirements.</li> <li>9. Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.</li> <li>10. Providing mental health services and supports.</li> <li>11. Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English language learners, migrant students, students experiencing homelessness, and children in foster care.</li> <li>12. Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.</li> </ol> <p>With funds not otherwise allocated to local educational agencies, the state may reserve not more than .5 percent for administrative costs and the remainder for emergency needs as determined by the state educational agency to address issues responding to COVID-19, which may be addressed through the use of grants or contracts. The state must return any funds not awarded within 1 year.</p> <p>A local educational agency receiving grant funds must provide equitable services in the same manner as provided under Section 1117 of the ESEA of 1965 to students and teachers in nonpublic schools, as determined in consultation with representatives of nonpublic schools.</p> <p>The state's application must include assurances that the state will maintain support for elementary and secondary education in fiscal years 2020 and 2021 at least at the levels</p>		

Agency	Allowable Uses of Funds	Potential Funding Available	Funding Approved by Budget Section
	<p>of such support that is the average of such state's support for elementary and secondary education provided in the 3 fiscal years preceding the date of the CARES Act. The secretary of education may waive the maintenance of effort requirement for the purpose of relieving fiscal burdens on states that have experienced a precipitous decline in financial resources.</p> <p>Of the total award, \$29,967,929 has been allocated to school districts based on the number of Title I students in the district. Allocations range from \$15,048 to \$3,275,476 and will be distributed on a reimbursement basis through the Department of Public Instruction's grant reimbursement system when districts submit their COVID-19 pandemic-related expenses. As of November 24, 2020, \$5,627,620 of COVID-19 elementary and secondary school emergency relief funding had been distributed to school districts. The remaining funding of \$3,329,770, or 10 percent, has been retained by the Department of Public Instruction. The department anticipates using a portion of the remaining funds as follows:</p> <ul style="list-style-type: none"> <li>• \$96,000 allocated to 17 school districts (\$6,000 each) that do not have Title I students and therefore did not receive an allocation;</li> <li>• \$700,000 to partner with the Governor's office, which will provide \$600,000 from the Governor's Emergency Education Relief (GEER) Fund, to provide a remote learning digital platform delivered through the Center for Distance Education (\$1,200,000 total cost);</li> <li>• \$400,000 to partner with the Governor's office, which will provide \$350,000 from the GEER Fund, to provide a special education teacher scholarship program to address the shortage of qualified special education teachers (\$750,000 total cost);</li> <li>• \$900,000 to provide online professional development;</li> <li>• \$400,000 for a school rapid response team; and</li> <li>• \$40,000 for best practice meeting expenses</li> </ul> <p>Use of remaining funds, totaling \$793,770, to be determined based on the results of a stakeholder survey.</p>		
<p>The Emergency Food Assistance Program (TEFAP) commodities</p>	<p>Funding is provided under the Families First Coronavirus Response Act as authorized by Section 27(a) of the Food and Nutrition Act of 2008 (7 U.S.C. 2036(a)) to purchase a variety of nutritious and useful commodities and Section 204(a)(1) of the Emergency Food Assistance Act of 1983 (7 U.S.C. 7508(a)(1)) to pay for the direct and indirect costs related to processing, storage, transporting, and distributing commodities to eligible recipient agencies. Congregate and home-delivered meals	Additional assistance for nutrition services for the elderly.	3,600,000	3,600,000

Agency	Allowable Uses of Funds	Potential Funding Available	Funding Approved by Budget Section
Child care block grant	Provide continued payments and assistance to child care providers in case of decreased enrollments or closures.	6,037,905	6,000,000
Family caregivers	Increase assistance to individuals caring for family members.	500,000	500,000
Protection of vulnerable older Americans	Increase assistance to protect vulnerable individuals who are elderly	100,000	100,000
Emergency food and shelter program	Additional funding for emergency needs of homeless individuals, including nutritional needs and funding for the transition from temporary shelters to permanent homes.	382,532	430,200
Emergency grants to address mental and substance use disorder	To provide crisis intervention services, mental and substance use disorder treatment, and other related recovery supports for children and adults impacted by the COVID-19 pandemic. The program will assist Americans struggling with increased depression, anxiety, trauma, and grief due to the pandemic. Funding also is available for individuals and families for increases in substance misuse as lives are impacted due to the pandemic. The program is specifically to address the needs of individuals with serious mental illness, individuals with substance use disorders, or individuals with co-occurring serious mental illness and substance use disorders. Additionally, the program will focus on meeting the needs of individuals with mental disorders less severe than serious mental illness, including those in the health care profession.	2,000,000	2,800,000
Support services	Increase support services to older adults, people with disabilities, and families and caregivers.	1,000,000	1,000,000
Aging and disability resource centers	Funding for benefits screening, education, and options counseling on long-term care services and support for individuals who are elderly or have a mental or physical disability.	305,454	300,000
Community development block grant - Household emergency rent bridge program	Funding received by the Department of Commerce (\$6,534,942) and the City of Fargo (\$400,000) from the United States Department of Housing and Urban Development. The funding will be used for a household emergency rent bridge program. See the <b>Department of Commerce</b> for additional program detail. The Budget Section also approved \$2.9 million from the federal Coronavirus Relief Fund to provide a program total of \$9,834,942.		6,934,942
SNAP	The FFCRA provided \$35,811,414 of additional SNAP funding for North Dakota, of which \$10,058,706 is for meals to children who previously received meals from schools prior to schools closing due to the COVID-19 pandemic and \$25,752,708 is for increased SNAP benefits for recipients from March 2020 through December 2020.		35,811,414
Crisis counseling assistance and training program	Funding received from the Department of Emergency Services from FEMA for a program to assist individuals and communities recovering from the COVID-19 pandemic through community-based outreach, counseling, and other mental health services.		160,572
Rural area stimulus payment program	Funding for rural area stimulus payments for human service centers and institutions to partially replace revenue reductions.		3,445,927
Total Department of Human Services		<b>\$87,179,203</b>	<b>\$154,083,055</b>

Agency	Allowable Uses of Funds	Potential Funding Available	Funding Approved by Budget Section
<b>380 - Job Service North Dakota</b>			
Unemployment insurance (UI) - Base		\$1,205,504	
UI - Supplemental	Expenditures for staff overtime, programming fees for changes to the agency website and UI software, the purchase of new servers due to the volume of claims, and other UI administrative costs.	1,205,504	
Dislocated worker grants	For necessary expenses to reemploy laid off workers and enhance their employability and earnings when large, unexpended layoff events cause significant job losses. Funding is provided to create temporary employment opportunities to assist with cleanup and recovery efforts when an area impacted by disaster is declared eligible for public assistance by FEMA or otherwise recognized by a federal agency with authority or jurisdiction over federal response to the emergency or disaster. Funding provided from the CARES Act may be used to replace grant funds previously obligated to other impacted areas.	509,615	
Short-term compensation	Funding available to employers as an alternative to laying off employees due to a decline in available work. The program, also known as a work sharing or shared-work program, maintains the employees' jobs and allows employers to retain trained workforce during times of decreased economic activity. The program allows employers to reduce hours of work for some employees rather than laying off the employees, while other employees continue to work full-time.	240,498	
Federal pandemic unemployment compensation	Unemployment insurance funding provided to pay for the cost of the federally authorized additional \$600 weekly unemployment insurance benefit for qualifying individuals	416,060,305	
Pandemic emergency unemployment compensation	Unemployment insurance funding provided to allow individuals to receive federal and state unemployment insurance benefit payments for an additional 13 weeks	40,154,779	
Pandemic unemployment assistance	Unemployment insurance funding for self-employed individuals or other individuals that do not qualify for regular unemployment insurance	40,042,780	
Emergency relief for government entities and nonprofits	Funding for reimbursable group premiums related to COVID-19 unemployment costs through the 3 <sup>rd</sup> quarter of 2020. The funding will be used to reimburse employers 50 percent of unemployment benefit costs incurred as a result of the COVID-19 pandemic.	9,193,768
