**Work force training initiative** - Section 8 of 1999 House Bill No. 1443 provides a general fund appropriation of \$875,000 for contracting with higher education institutions assigned primary responsibility for work force training programs.

**1997-99 biennium carryover** - Section 7 of 1999 House Bill No. 1003 provides that any unexpended general fund appropriations or excess income from the 1997-99 biennium can be expended, as directed by the State Board of Higher Education, for capital repairs and improvements, equipment, and other one-time expenditures.

**Student enrollment** - During the first year of the 1999-2001 biennium, FTE enrollment at Lake Region State College was estimated to average 450 students.

**Tuition income** - The Lake Region State College budget for the first year of the biennium includes tuition and student fee collections of \$719,850.

**Status/Result**

Lake Region State College received an allocation of \$87,938 for the first year of the biennium. The college business plan for work force training indicates that the general fund allocation will be supplemented with training revenue of \$100,000; contributions from business, industry, and the community of \$57,000; and institutional funds of \$44,000, for total first year (1999-2000) training revenue and other funding sources of \$288,938.

Expenditures for the first year of the biennium are estimated to be \$70,000 for expenses directly related to training, \$164,205 for salaries and wages, \$29,725 for operating expenses, and \$25,000 for startup costs for the work force training division, for total expenses of \$288,930.

Lake Region State College had \$88,127 of unexpended 1997-99 biennium appropriation authority available to be spent in the 1999-2001 biennium. Of this amount, \$35,127 was used for equipment, \$41,100 for capital repairs and improvements, and \$11,900 for supplies and small equipment items (operating expenses).

Average FTE enrollment for the 1999-2000 school year was 455, five FTE students more than anticipated.
