14. Provides one-time funding to enhance the security within the state's system that serves as the designated control terminal agency for the National Crime Information Center	\$311,500		\$311,500

Other Sections in Bill

Section 2 of House Bill No. 1016 - Amends North Dakota Century Code (NDCC) Section 37-17.1-07.1(2) to increase the maximum fee for a facility under the hazardous chemicals preparedness and response program from \$150 to \$475.

Section 3 of House Bill No. 1016 - Amends NDCC Section 37-28-02 to extend the veterans' bonus program through the 2009-11 biennium.

Section 4 of House Bill No. 1016 - Amends NDCC Section 37-38-03 to expand eligibility for the veterans' bonus program to include multiple deployments.

Section 5 of House Bill No. 1016 - Amends Section 6 of 2005 House Bill No. 1017 to provide that any unexpended general fund appropriation authority relating to the \$5 million appropriated for the payment of adjusted compensation to veterans during the 2005-07, 2007-09, and 2009-11 bienniums is not subject to the provisions of NDCC Section 54-44.1-11 and must be transferred to the Veterans Cemetery trust fund during the 2011-13 biennium.

Section 8 of House Bill No. 1016 - Provides that the Adjutant General may transfer from the deferred maintenance line item to the capital assets line item amounts necessary to address extraordinary repair needs. Any amounts transferred must be reported to the Office of Management and Budget.

Section 9 of House Bill No. 1016 - Provides that the Adjutant General may transfer up to \$500,000 from various line items to the operating expenses and capital assets line items for the maintenance and repair of state-owned armories during the 2009-11 biennium. Any amounts transferred must be reported to the Office of Management and Budget.

Section 10 of House Bill No. 1016 - Provides that any unexpended general fund or special funds appropriation authority relating to the \$980,000 appropriated for the computer-aided dispatch project during the 2007-09 biennium is not subject to the provisions of NDCC Section 54-44.1-11 and may be expended during the 2009-11 biennium.

Continuing Appropriations

National Guard emergency fund - NDCC Section 37-01-04.1 - This fund allows the National Guard to respond to state emergencies.

National Guard military grounds fund - NDCC Section 37-03-13 - This fund is used for collecting rental revenues to be used for purchasing military training grounds.

Veterans Cemetery maintenance fund - NDCC Section 37-03-14 - This fund is used to support the operations of the North Dakota Veterans Cemetery. The fund receives \$5 from the issuance of each veteran's license plate, grave opening and closing fees, and private and federal funds for operation of the Veterans Cemetery.

Veterans Cemetery trust fund - NDCC Section 39-04-10.10 - This fund receives \$5 from the issuance of each veteran's license plate and donations. The interest in the fund is to be deposited in the Veterans Cemetery maintenance fund for the purpose of funding salaries and maintenance at the cemetery.

Major Related Legislation

House Bill No. 1023 - This bill provides a \$3,422,553 general fund deficiency appropriation for the 2007-09 biennium for the state's share of disaster costs.

House Bill No. 1046 - This bill establishes an emergency response and recovery fund to be used to assist individuals, political subdivisions, and Indian tribes in paying the costs of responding to and recovering from a disaster or emergency declared by the Governor which does not qualify for a presidential disaster declaration. The bill provides an \$11 million general fund appropriation to the Department of Emergency Services for deposit in the emergency response and recovery fund in the 2009-11 biennium.

House Bill No. 1047 - This bill increases the per chemical fee for the hazardous chemicals preparedness and response program from \$25 to \$52 and the maximum fee for a facility from \$150 to \$416. The bill provides that the fees collected be distributed one-third to the Department of Emergency Services, one-third to local emergency planning commissions, and one-third to the North Dakota Firefighters Association.

House Bill No. 1050 - This bill provides a \$7.2 million general fund appropriation to the Adjutant General for purchasing or leasing infrastructure and equipment for up to eight additional radio towers to expand coverage of the State Radio system during the 2009-11 biennium.

House Bill No. 1051 - This bill provides a \$750,000 general fund appropriation to the Adjutant General for upgrading the Department of Emergency Services' mobile data system to high-speed, broadband access.

House Bill No. 1052 - This bill provides a \$2 million general fund appropriation to the Adjutant General for completing Phase 2 of the Department of Emergency Services' computer-aided dispatch system.

House Bill No. 1053 - This bill requires each county to maintain an emergency management organization that serves the entire county or be a member of a regional emergency management organization that serves more than one county. The bill provides a \$1.5 million general fund appropriation to the Adjutant General for providing grants to counties that merge emergency management efforts during the 2009-11 biennium.

House Bill No. 1054 - This bill provides that the Adjutant General study the effects of Next Generation 911 on the public safety answering points in the state during the 2009-10 interim. The bill provides a \$100,000 general fund appropriation to the Adjutant General for the 2009-11 biennium for conducting the study.

House Bill No. 1055 - This bill provides a \$400,000 general fund appropriation to the Adjutant General for providing grants for regional cross-discipline and cross-jurisdictional training and exercising activities for fire departments, law enforcement, emergency medical services, and public communications dispatchers for the 2009-11 biennium.

House Bill No. 1056 - This bill provides that the Adjutant General study the feasibility and desirability of establishing a multidiscipline emergency responder academy in the state. The bill provides a \$100,000 general fund appropriation to the Adjutant General for the 2009-11 biennium for conducting the study.

House Bill No. 1138 - This bill amends statutory provisions relating to the National Guard tuition grant program to allow grants for student fees in addition to tuition.
