Tobacco Quitline	1,069,000
Tobacco cessation coordinator and operating expenses	<u>139,397</u>
Total community health tobacco programs	<u>\$3,510,495</u>

<sup>17</sup> This amendment provides \$50,000 for grants for the administration of donated dental services. This funding was not included in the House and Senate versions.

<sup>18</sup> This amendment adds a section providing a contingent transfer from the general fund to the community health trust fund if during the 2009-11 biennium the funds are not sufficient to provide for legislative appropriations. This transfer was not included in the House and Senate versions.

This amendment, the same as the House version:

- Adds a section to identify funding for emergency medical services grants from the insurance tax distribution fund and provides for a report to the Legislative Council; the conference committee identified the \$500,000 provided in the section as a single grant.
- Provides unexpended funds appropriated for colorectal screening grants during the 2007-09 biennium may be continued in the 2009-11 biennium.
- Provides for a Legislative Council study of the state immunization program.

The conference committee amendments:

- Restored the funding and full-time equivalent position for fraud risk assessment, removed by the House.
- Restored the funding for poison prevention and control, removed by the House.
- Increased the total federal fiscal funds available under the federal American Recovery and Reinvestment Act of 2009 to include funding for domestic violence.
