### **Other Sections in Bill**

**Environment and rangeland protection fund** - Section 3 authorizes the department to spend \$272,310 from the environment and rangeland protection fund for the ground water testing programs. Of this amount, \$50,000 is for a grant to the North Dakota Stockmen's Association for the environmental services program.

**Indirect cost recoveries** - Section 4 allows the State Department of Health to deposit indirect cost recoveries from federal programs and special funds in its operating account.

### **Continuing Appropriations**

**Combined purchasing with local public health units** - North Dakota Century Code Section 23-01-28 - Vaccines are not always available to local health units so it is necessary for the State Department of Health to purchase the vaccine and request the payment from the local health units. When the vaccines are delivered and payment is received, the net effect is zero.

**Environmental quality restoration fund** - Sections 23-31-01 and 23-31-02 - Allows the State Department of Health to provide immediate and timely response to catastrophic events that threaten the public and environmental health and when the responsible party is late in responding or cannot be located.

**Organ tissue transplant fund** - Sections 23-01-05.1 and 57-38-35.1 - Provides financial assistance to organ or tissue transplant patients who are residents of North Dakota and demonstrate financial need. Tax refunds of less than \$5 are transferred to the organ tissue transplant fund. The State Health Officer is responsible for adopting rules and administering the fund, and the Tax Department collects the funds.

**Veterinarian loan repayment** - Section 43-29.1-08 - The Health Council may accept any conditional or unconditional gifts, grants, or donations for the purpose of providing funds for the repayment of veterinarians' education loans. All money received as gifts, grants, or donations under this section are appropriated as a continuing appropriation to the Health Council for the purpose of providing funds for the repayment of additional veterinarians' education loans. If an entity desires to provide funds to the Health Council to allow an expansion of the program beyond three veterinarians, the entity must fully fund the expansion for a period of four years.

### **Major Related Legislation**
