<sup>1</sup> Funding is removed from federal funds for Women's Way care coordination, including operating expenses (\$99,260) and grants (\$400,740).

- <sup>2</sup> Funding is provided from the community health trust fund for Women's Way care coordination, including operating expenses (\$99,260) and grants (\$400,740).
- <sup>3</sup> The source of funding for certain state stroke registry operating expenses (\$78,500) and grants (\$172,200) is changed from the general fund to the community health trust fund to provide a total of \$473,324 from the community health trust fund.
- <sup>4</sup> The source of funding for the Women's Way program, including operating expenses (\$100,000) and grants (\$300,500), is changed from the general fund to the community health trust fund.
- <sup>5</sup> Funding is provided from the community health trust fund for grants to implement the Go Red North Dakota risk awareness and action grants program.
- <sup>6</sup> One-time funding is removed for a regional health network incentive grant.
- <sup>7</sup> Federal funding is removed for health care reform programs, including salaries and wages (\$398,871), operating expenses (\$387,241), and grants (\$1,009,000).
- <sup>8</sup> Salary equity funding for air quality and environmental engineers is removed.
- <sup>9</sup> Funding for operating expenses related to the purchase of vaccines under a universal immunization system is removed.
- <sup>10</sup> Grants to local public health units are increased to provide a total of \$2.8 million.
- <sup>11</sup> Funding for prenatal alcohol screening and intervention grants is removed.
- <sup>12</sup> This amendment provides funding for grants to continue the Safe Havens supervised visitation and exchange program.
- <sup>13</sup> Funding for 1 FTE position (\$125,557) and operating expenses (\$9,960) for injury prevention is removed.
- <sup>14</sup> Funding from the general fund added in the executive budget to replace reduced federal funding available through the Department of Transportation for services provided to ambulances and for the statewide trauma program, including salaries and wages (\$112,434) and operating expenses (\$411,466) is removed.
- <sup>15</sup> A section is added providing a \$500,000 contingent appropriation from the general fund and authorization for a \$500,000 line of credit with the Bank of North Dakota to provide funding for costs associated with litigation and other administrative proceedings involving the United States Environmental Protection Agency. The department may spend the general fund money and access the line of credit only upon approval by the Attorney General. The department must report quarterly to the Budget Section regarding the status of any litigation and other administrative proceedings.

Sections are added relating to:

- Legislative intent that the State Department of Health work in conjunction with the Indian Affairs Commission to develop, implement, and coordinate a suicide prevention program, including outreach, education, and administration of grants for suicide prevention activities.
- A Legislative Management study of a regional public health network pilot project conducted during the 2009-11 biennium, including services provided, effects of the project on participating local public health units, efficiencies achieved in providing services, cost-savings to state and local governments, and possible improvements to the program.
- An amendment to Section 54-27-25 relating to the tobacco settlement trust fund.

<sup>1</sup> Funding included in the executive recommendation, but removed by the House, for operating expenses related to the purchase of vaccines under a universal immunization system is restored.

- <sup>2</sup> Funding provided by the House from the community health trust fund for Women's Way care coordination, including operating expenses (\$99,260) and grants (\$400,740), is removed. The executive recommendation included \$500,000 from federal funds for Women's Way care coordination. The House removed the federal funding.
- <sup>3</sup> Funding from the community health trust fund for heart disease and stroke prevention grants included in the executive recommendation is changed to the general fund. The House did not change this funding.
- <sup>4</sup> The source of funding for certain state stroke registry operating expenses (\$78,500) and grants (\$172,200) is changed from the community health trust fund to the general fund, the same as the executive budget. The House changed the funding source for this program to the community health trust fund.
- <sup>5</sup> Funding from the community health trust fund provided by the House for grants to implement the Go Red North Dakota risk awareness and action grants program is removed. The executive recommendation did not include funding for this program.
- <sup>6</sup> Funding for prenatal alcohol screening and intervention grants removed by the House is restored to the level recommended by the Governor.
- <sup>7</sup> This amendment adds funding to provide one-time funding from the general fund to the State Department of Health to provide matching funds for an ST-elevated myocardial infarction (STEMI) response program.
- <sup>8</sup> Federal funding, provided in the executive recommendation and removed by the House, is restored for the following health care reform programs, including salaries and wages (\$398,871), operating expenses (\$387,241), and grants (\$1,009,000):
- Abstinence program funding - \$182,100.
  - Public health infrastructure program funding - \$200,000.
  - Home visiting program funding - \$1,413,012.

In addition, this amendment:

- Removes Section 5 which amended Section 54-27-25 relating to the tobacco settlement trust fund and use of money in the community health trust fund for tobacco prevention and control. This amendment was not included in the executive recommendation but was added by the House.
- Adds a section to declare the contingent appropriation and Bank of North Dakota line of credit provided for litigation and administrative proceedings costs in Section 4 of the bill is an emergency measure.

<sup>1</sup> Funding of \$19.4 million included in the executive recommendation, but removed by the House, for operating expenses related to the purchase of vaccines under a vaccine ordering program is restored, the same as the Senate. In addition, the conference committee increased the funding by \$3.6 million to provide the level of spending authority identified in Senate Bill No. 2276 prior to conference committee changes.

- <sup>2</sup> Funding provided by the House from the community health trust fund for Women's Way care coordination, including operating expenses (\$99,260) and grants (\$400,740), is removed, the same as the Senate.
- <sup>3</sup> Funding from the community health trust fund for heart disease and stroke prevention grants included in the executive recommendation is changed to the general fund, the same as the Senate. The House did not change this funding.
- <sup>4</sup> The source of funding for certain state stroke registry operating expenses (\$78,500) and grants (\$172,200) is changed from the community health trust fund to the general fund, the same as the Senate. The executive recommendation provided the funding for this program from the general fund, and the House changed the funding source to the community health trust fund.
- <sup>5</sup> Funding from the community health trust fund provided by the House for grants to implement the Go Red North Dakota risk awareness and action grants program is removed, the same as the Senate. The executive recommendation did not include funding for this program.
- <sup>6</sup> Funding for prenatal alcohol screening and intervention grants removed by the House is restored to the level recommended by the Governor, the same as the Senate.
- <sup>7</sup> This amendment adds funding to provide one-time funding from the general fund to the State Department of Health to provide matching funds for an ST-elevated myocardial infarction (STEMI) response program, \$575,000 more than the Senate. The executive recommendation and the House did not provide funding for this program.
- <sup>8</sup> Grants to local public health units are increased to provide a total of \$3 million from the general fund, \$600,000 more than the executive recommendation. The House and the Senate provided for an increase of \$400,000 from the general fund.
- <sup>9</sup> Funding relating to 1 FTE position (\$125,557) and operating expenses (\$9,960) for injury prevention, removed in both the House and Senate versions, is restored. The FTE position is not restored, and the department may transfer 1 FTE position from tobacco prevention.
- <sup>10</sup> Funding from the general fund of \$523,900 added in the executive budget to replace reduced federal funding available through the Department of Transportation for services provided to ambulances and for the statewide trauma program, removed by the House, is partially restored as follows:

Transfer from EMS grants line	\$300,000
Department of Transportation	124,800
General fund	<u>75,000</u>
Total	\$499,800

The Senate did not provide this funding.

- <sup>11</sup> This amendment adds funding to provide for a public water system operator certification and training program and to reimburse operators of eligible public water systems in communities with a population of 3,300 or less for certification and training expenses. Funding for this program was not included in the House or the Senate versions nor in the executive recommendation.
- <sup>12</sup> Funding from special or federal funds is added for a performance audit of the Family Health Division of the State Department of Health. The department may also use other funds available from within its operating expenses line item for costs of the audit. A section is added requiring the State Auditor to contract for the performance audit and authorizing the State Auditor to bill the State Department of Health for the cost of the audit.

In addition, this amendment:

- Removes Section 5 which amended Section 54-27-25 relating to the tobacco settlement trust fund and use of money in the community health trust fund for tobacco prevention and control, the same as the Senate. This amendment was not included in the executive recommendation but was added by the House.
- Provides that funding available for the Safe Havens program is available for centers meeting current standards. The House and the Senate did not include this language.

- Adds a section to declare the contingent appropriation and Bank of North Dakota line of credit provided for litigation and administrative proceedings costs in the bill is an emergency measure, the same as the Senate.

Funding for health care reform totaling \$1,795,112, removed by the House and restored by the Senate, was not restored by the conference committee.
