<b>Total all funds</b>	<b>\$19,346,077</b>	<b>\$19,346,077</b>
Less estimated income	19,346,077	19,346,077
General fund	\$0	\$0
FTE	10.00	10.00

<sup>1</sup> Funding is added for expenses associated with the Department of Human Services' eligibility system replacement project. This includes 10 new FTE positions.

The section of legislative intent added by the House to provide that the Bank of North Dakota PACE program is to be used to provide low-interest loans to finance health information technology projects is removed, and the section included in the bill as introduced which provides that the Industrial Commission transfer up to \$5 million from the current earnings and accumulated undivided profits of the Bank of North Dakota to the health information technology planning loan fund or to the health information technology loan fund for the 2011-13 biennium is reinstated.

**House Bill No. 1021 - Information Technology Department - Conference Committee Action**

The conference committee amendment does not include funding or FTE positions added by the Senate relating to the Department of Human Services' eligibility system replacement project.

The conference committee amendment does remove the section of legislative intent added by the House to provide that the Bank of North Dakota PACE program is to be used to provide low-interest loans to finance health information technology projects and reinstates the section included in the bill as introduced which provides that the Industrial Commission transfer up to \$5 million from the current earnings and accumulated undivided profits of the Bank of North Dakota to the health information technology planning loan fund or to the health information technology loan fund for the 2011-13 biennium. This change was also made by the Senate.

**House Bill No. 1021 - Department of Human Services - Senate Action**
