4.5-02.1-03-01. Clinical training program.

Clinical training consortium programs for addiction counseling must be approved biennially by the board of addiction counseling examiners and must meet the following conditions:

1. Existing training consortiums shall submit documentation to the board, including:
 - a. Evidence of licensure by the North Dakota department of human services of each addiction treatment facility, or evidence of board approval.
 - b. A training program manual which includes policies and procedures, including an organizational chart, which reflects clinical training program director, training facilities and facility supervisors, and admission policies.
 - c. A training handbook, which should include trainee grievance procedure.
 - d. Evidence of clinical supervisor at each treatment facility.
 - e. Must notify board in writing of any substantial changes that impact the provision of adequate training, which includes the addition or loss of training facility sites or loss of clinical training program director.
 - f. If the training consortium seeks to add an entity to its training consortium, the training consortium shall request the addition of that entity in writing and on forms approved by the board, for consideration by the board.
 - g. An entity seeking to create a new training consortium shall make a formal application to the board on a form approved by the board. A representative of the proposed training consortium shall appear before the board to discuss the proposal and seek board approval.
