1. The breeder or owner of a North Dakota-bred horse shall register such horse with the North Dakota racing commission. The commission may contract with and designate an official registering agency to implement the registration of North Dakota-bred horses.
2. Broodmare registration. A broodmare must meet the qualifications as outlined in subsection 4 of section 69.5-01-09-01 to be eligible for broodmare award payments based on a percentage of the North Dakota breeders' fund program awards earned by accredited North Dakota-bred horses foaled by the mare. In addition, the broodmare must meet the following conditions:
 - a. The North Dakota racing commission or the designated agency must receive the broodmare's original breed registration certificate for embossing, a completed North Dakota breeders' fund program registration application as furnished by the North Dakota racing commission, and a registration fee of ten dollars.
 - b. Failure to properly register the broodmare, as outlined in section 69.5-01-09-01 and in this section, will disqualify any subsequent claims for North Dakota breeders' fund award payments.
 - c. A broodmare may be registered at any time.
3. Stallion registration. To be eligible to receive stallion award payments, the following requirements must be met:
 - a. Stallions must physically be in North Dakota and registered or the registration renewed with the North Dakota racing commission or official registering agency by February first of the current breeding year. The stallion's original breed registration certification must be received by the North Dakota racing commission or official registering agency for embossing, with a completed North Dakota breeders' fund program registration application and a registration fee of twenty dollars. If the stallion is leased, a copy of the lease must accompany the registration application. The lease must include a statement that the lessee is authorized to sign the breeding certificate.
 - b. When a stallion is purchased after February first of the current breeding season, the new owner must register the stallion within thirty days after the date of a bona fide purchase with the North Dakota racing commission or official registering agency to be eligible for the North Dakota breeders' fund program.
 - c. Stallions must remain in North Dakota for the entire current breeding season from February first to July thirty-first. Stallions registered pursuant to subdivision b must be in North Dakota as of the date of registration and remain in North Dakota through July thirty-first.
4. Foal registration and certification. For a horse foaled in North Dakota to be registered and subsequently certified as a North Dakota-bred, the following requirements must be met:
 - a. Any time from foaling through December thirty-first of the foaling year that the horse was foaled in North Dakota, the foal must be registered with the North Dakota racing commission or official registering agency. The registration form must be provided by the commission and must contain the date, name, registration number, owner's name of the foaling dam, date the foal was born, and foal owner's statement that the foal was born in North Dakota. The application to register a foal in the North Dakota breeders' fund program as a North Dakota-bred must be accompanied by a ten dollar registration fee.

- b. Registration applications that meet all other requirements provided in this section, but are received after the December thirty-first deadline, may be processed and approved provided that applications and registration fees received after December thirty-first of the foaling year but prior to December thirty-first of the yearling year are accompanied by a late fee of one thousand dollars.
- c. An investigator appointed by the commission shall have access to the premises on which qualified mares, North Dakota-registered stallions, and North Dakota-bred foals or horses are kept. The investigator may perform random inspections of North Dakota-registered foals as required by the commission.
- d. The original breed registration certificate must be embossed by the commission or official registering agency prior to the entry into any restricted race.
- e. Failure to have the breed registration certificate embossed shall disqualify a horse from entry in a race restricted to, or with preference given to, accredited North Dakota-bred horses, and shall prohibit an award or payment from the North Dakota breeders' fund.
- f. The owner of the dam of a foal submitted to the registering agent or the North Dakota racing commission for registration in the North Dakota breeders' fund program must notify the North Dakota racing commission ten days prior to shipping if the dam is to be leaving the state prior to ninety days after foaling.

All moneys held in the fund must be deposited with the North Dakota state treasurer in accordance with North Dakota law. All moneys shall remain in the control of the state treasurer until, upon action of the North Dakota racing commission, funds are transferred to the account of the fund administrator. The director of racing of the racing commission is responsible for the timely deposit of all revenue derived from the breeders' fund take-out and shall keep accurate records of deposits and disbursements.

Concerning questions as to parentage, the official registering agency may require testing of the horse in question, as well as its sire and dam. Such testing must be done by an organization approved by the official registering agency. The results of this test may be taken into consideration by the official registering agency in its determination of the horse's parentage.
