**70-01-01-01. Organization of real estate commission.**

1. **History and functions.** The 1957 legislative assembly passed a real estate licensing law, codified as North Dakota Century Code chapter 43-23. This chapter requires the governor to appoint a state real estate commission. It is the responsibility of the commission to administer the real estate license law regarding brokers and salespersons and to regulate the sale of out-of-state subdivided lands offered for sale to residents of North Dakota. In addition, the commission is required to administer a real estate education, research, and recovery fund whereby aggrieved persons may make application for the payment of unsatisfied judgments.
2. **Commission membership.** The commission consists of five members, three of whom are active real estate brokers, appointed by the governor. Members of the commission are appointed for a term of five years, staggered so the term of one member expires each year. At the expiration of the term of any member of the commission, the governor appoints a successor for a term of five years.
3. **Executive director.** The executive director of the commission is employed by the commission and is responsible for administration of the commission's activities.
4. **Inquiries.** Inquiries regarding the commission may be addressed to the executive director:
