81-03-05.2-01. Definitions.

As used in these sections and for the administration of North Dakota Century Code chapter 57-38.4, unless the context otherwise requires:

1. "Assets" means both tangible and intangible property valued at original cost less depreciation, amortization, or depletion as reflected on the corporation's balance sheet prepared according to generally accepted accounting principles.

2. "Average of property and payroll" means average of property and payroll as defined pursuant to chapter 81-03-09 and North Dakota Century Code chapters 57-38.1 and 57-59.

3. "Commissioner" means the tax commissioner of the state of North Dakota.

4. "80/20 corporation" means a corporation that:
   a. Is incorporated in the United States.

5. "Foreign corporation" means a corporation incorporated outside the United States.

6. "Foreign country" means a country other than the United States or a possession of the United States.

7. "Income from an 80/20 corporation" means net book income for financial statement purposes. However, a corporation's net book income cannot be offset by a net book loss from another 80/20 corporation.

8. "Net book income for financial statement purposes" as used herein means the results of operations as determined using the accrual method of accounting and generally accepted accounting principles as adopted by the American institute of certified public accountants. If a corporation has more than one financial statement, it must use the first statement in the following priority:
   a. Financial statements required to be filed with the securities and exchange commission.
   b. Financial statements audited by an independent certified public accountant.
c. Income statements prepared for a nontax purpose required to be provided to the federal
government, state government, or a political subdivision of state government.
d. Income statements prepared for credit purposes, for reporting to stockholders or other

income tax return after the 1979 tax year.

10. "Property, payroll, and sales" means property, payroll, and sales as defined in chapter

edge box on its original North Dakota income tax return for the first year to which the election
applies.

3. If a water's edge taxpayer files a consolidated water's edge return, the election made on that
return shall apply to all members of the water's edge group included in that return.

corporation becomes a member of the group after the group elects to use the water's edge
method.

The details which must be disclosed on the aforementioned schedule include:

4. The spreadsheet information must be filed on the forms provided by the commissioner. Data not submitted on the preapproved forms will be deemed incomplete.

5. If the information required to be reported on the spreadsheet is not available when the return is filed, a taxpayer may file the spreadsheet within six months after the due date of the return, including any extensions. If the aforementioned time deadlines cannot be met, a taxpayer shall file a written request for an extension of time with the commissioner within six months after the due date of the return, including any extensions. This request which will be deemed filed on the date it is sent by certified mail must state the grounds for the request. Within a reasonable time after receiving the request, the commissioner shall notify the taxpayer as to whether the request for additional time is granted. However, the commissioner will not grant an extension of time that exceeds one hundred twenty days.

6. A spreadsheet will be deemed complete when filed unless the commissioner notifies the taxpayer, within one hundred eighty days after the spreadsheet was filed, that the spreadsheet requirements have not been met. This notice must be sent by certified mail and it must inform the taxpayer as to why the spreadsheet was not properly completed. A taxpayer shall correct the deficiencies in its spreadsheet within ninety days after receiving the aforementioned notice of deficiency. If the ninety-day deadline cannot be met, a taxpayer shall file a written request for an extension of time with the commissioner within ninety days after receiving the notice of deficiency. This request which will be deemed filed on the date it is sent by certified mail must state the grounds for the request. Within a reasonable time after receiving the request, the commissioner shall notify the taxpayer as to whether the request for additional time is granted.
81-03-05.2-06. Failure to comply with water's edge election.

1. If a taxpayer fails to make a valid water's edge election, the taxpayer will be prohibited from using this method to apportion its income for the year in question. If this occurs, the taxpayer shall determine its income and resulting tax liability pursuant to North Dakota Century Code chapters 57-38, 57-38.1, and 57-59, which chapters include reporting on a worldwide combined basis.

2. A taxpayer's failure to file a spreadsheet or to correct deficiencies in its spreadsheet will constitute a failure to file a return. If this occurs, the tax liability computed under the water's edge method will be subject to penalty and interest pursuant to North Dakota Century Code section 57-38-45.

3. If a taxpayer fails to comply with the conditions in North Dakota Century Code section 57-38.4-02 and this chapter, the commissioner may rescind the taxpayer's water's edge election for the entire election period. If this occurs, the commissioner will require the taxpayer to apportion its income for the period to which the election applied pursuant to worldwide combination or any other method of reporting permitted under North Dakota Century Code chapter 57-38, 57-38.1, or 57-59.

81-03-05.2-06.1. Recission of a water's edge election.

1. The water's edge election of a corporation that has had more than fifty percent of its voting stock acquired by a nonaffiliated corporation is rescinded.

2. The water's edge election of a corporation formed due to a reorganization or spinoff from an existing taxpayer is rescinded if, after such reorganization or spinoff, it is no longer an affiliated member of the water's edge group.

3. The water's edge election of a corporation that is completely liquidated is rescinded. The election does not carry over to a corporation receiving the liquidated assets. This provision does not affect the water's edge election made by any corporation that receives liquidated assets.

81-03-05.2-07. Procedure for review of tax commissioner's recision of water's edge election.

1. The commissioner shall notify a taxpayer if there is a decision to rescind the taxpayer's water's edge election. The notice of recision must be sent to the taxpayer by certified mail with a return receipt requested, and it must state the reasons for the recision.

2. The notice of recision becomes final and irrevocable thirty days after the date the notice is received by the taxpayer unless within that thirty-day period the taxpayer files a written protest with the commissioner. The protest which will be deemed filed on the date it is sent by certified mail must state the grounds upon which the protest is based.
3. If a protest is filed, the commissioner shall reconsider the notice of rescission. This reconsideration may include further examination by the commissioner of any affiliated corporation's books, papers, records, or memoranda pursuant to North Dakota Century Code sections 57-01-02, 57-38-56, and section 81-01.1-01-03.

4. Upon request, the commissioner may grant the taxpayer an informal conference.

5. Within a reasonable time after receiving the protest, the commissioner shall notify the taxpayer as to whether the decision to rescind the taxpayer's water's edge election is affirmed or reversed. Notice of this reconsideration must be sent to the taxpayer by certified mail with a return receipt requested. A decision to affirm becomes final and irrevocable thirty days after the notice of reconsideration has been received by the taxpayer unless, within that thirty-day period, the taxpayer seeks formal administrative review by filing a complaint and requesting an administrative hearing. The provisions of North Dakota Century Code chapter 28-32 will apply to and govern the filing of the complaint and the administrative hearing, including an appeal of the decision rendered by the commissioner.

6. Upon written request, the commissioner may grant an extension of time to file a protest or a complaint.
