AGRICULTURE AND NATURAL RESOURCES COMMITTEE

(21 members)

Studies

2365 § 1 Study the roles of the Insurance Commissioner, Department of Emergency Services, and Department of Water Resources in relation to the tracking and updating of the relevant primary land use authority on lands outside a municipality's jurisdiction. The study must include a method of tracking all organized townships within the state and maintaining updated contact information, certified annually by December 31st; consider a formal process for organized townships to request, establish, and track the yielding of land use authority to an adjacent jurisdiction; consider how insurance producers access the necessary information, including updated contact information of the authority, to appropriately associate potential insurance policyholders with the relevant land use authority for the purposes of the Federal Emergency Management Agency's national flood insurance program; and consider how a member of the public may access the relevant land use authority associated with a specific parcel of land.

2371 § 4 Study the number of persons that own or control any real estate or commercial assets or operate a business within this state which is owned by, controlled by, or subject to the jurisdiction or direction of foreign adversaries or individuals acting on behalf of or in conjunction with foreign adversaries or persons listed on the Office of Foreign Assets Control sanctions list. The study must attempt to craft a definition of foreign adversary and ascertain the number of such persons residing in this state which operate a business or a charitable enterprise or have obtained a beneficial interest in real estate, commercial assets, or a business or charitable organization in this state. The study must consider which federal foreign adversary list would be best suited for use for the security of this state and the impact of implementing and using a federally created list. The study must determine how to define, create, and implement a security review verification system that monitors and reviews the actions of foreign adversaries that operate a business or a charitable enterprise or have obtained a beneficial interest in real estate, commercial assets, or a business or charitable organization in this state. The study must identify optimal methods for state officials to work and collaborate with national intelligence agents at the state and federal level regarding background checks, national security, and state security; outline what constitutes a national security threat and which person or agency has the authority to declare a national security threat and security threat to this state; identify which state agencies are best equipped to create, implement, and operate a security review verification system that monitors and reviews foreign adversaries operating a business or a charitable enterprise or that have obtained a beneficial interest in real estate, commercial assets, or a business or charitable organization in this state; identify the proper structure and function of a security review verification system; identify the individuals and persons eligible to operate a business or a charitable enterprise or that have obtained a beneficial interest in real estate, commercial assets, or a business or charitable organization in this state, under the security review verification system; and identify other necessary changes to current industry practices relating to ownership of real property or commercial assets and the operation of business or charitable entities by a foreign adversary. The study also must include under which circumstances, if any, foreign adversaries are prohibited from owning real property in this state, and under which circumstances, if any, foreign adversaries are permitted to own real property in this state.

2009 § 22 Study plans for mitigation of adverse wildlife and environmental impacts and monetary payments made to state agencies, contractors, nongovernmental organizations, and others by applicants or other persons for mitigation during the siting and operation of energy conversion or transmission facilities. The study must include consideration of the provisions of law that affect the ability of developers to effectively mitigate adverse wildlife habitat and environmental impacts, applicant payments used for the purchase of perpetual or nonperpetual conservation easements, the distinction between an adverse direct environmental effect or an adverse indirect environmental effect, methods to monetarily quantify adverse direct or adverse indirect environmental effects, and alternative programs that may be used or developed for the mitigation of adverse wildlife and environmental effects.

EDUCATION COMMITTEE

(20 members)

Studies

1238 § 2 Study the implementation of effective parameters for the ending fund balance for a school district so a school district is able to achieve credit scores sufficient to bond at a reduced cost to taxpayers while ensuring equitable and adequate education. The study must include identification of efficient ways to analyze information on district expenditures; a review of the ending fund balance's impact on a district's short- and long-range planning, related facilities, staffing, and programming; an evaluation of possible trends between state investment, district expenditures, and student performance; and a review of the dramatic increase in behavioral and mental health issues of students, which are addressed by schools with school budgets, in addition to the traditional scope of academic preparation.

2284 § 13 Study school choice models implemented nationally for K-12 schools, including charter schools, magnet schools, private schools, voucher systems, and home schools. The study must include input from stakeholders, including public and nonpublic teachers and administrators, parents of students, representatives from the Department of Public Instruction, a representative from the Governor's office, and representatives from regional education associations. The study also must include a review of regulations implemented by state regulatory agencies to ensure accountability for various school choice models; a comparison of nontraditional school choice models implemented by other states; an analysis of the impact of enrollment fluctuation, including the impact on state aid; a review of the state's student population and enrollment capacity and tuition costs of nonpublic schools; and a review of services nonpublic schools are able to offer students with special needs.

2284 § 15 Study the feasibility, desirability, and impact of replacing storm days with virtual instruction days. The study must include input from the Department of Public Instruction, public school administrators and teachers, and other stakeholders. The study also must include a review of relevant statutes, plans approved by school boards, and current practices related to storm days.

EMPLOYEE BENEFITS PROGRAMS COMMITTEE

(12 members)

Duties

Consider and report on the legislative proposals over which the committee takes jurisdiction and which fiscally impact the retirement programs of state employees or employees of any political subdivision, and health and retiree health plans of state employees or employees of any political subdivision. A majority of the members of the committee has sole authority to determine whether a legislative proposal affects a program. The committee shall make a thorough review of each proposal the committee takes under its jurisdiction, including an actuarial report. The committee shall take jurisdiction over a proposal that authorizes an automatic increase or other change in benefits beyond the ensuing biennium which would not require legislative approval. The committee shall include in the report of the committee a statement that the proposal would allow future changes without legislative involvement. The Chairman and Vice Chairman of the committee shall request an actuarial report from the program affected by a legislative measure if a measure is introduced in either house without an actuarial report, or if an amendment is made to the measure, and provide the report to the standing committee to which the measure is referred. (2023 House Bill No.1539 § 1) (NDCC § 54-35-02.4)

Approve terminology adopted by the Board of Trustees of the Teachers' Fund for Retirement to comply with applicable federal statutes or rules. (NDCC § 15-39.1-35)

Approve terminology adopted by the Public Employees Retirement System Board to comply with federal requirements. (NDCC §§ 39-03.1-29, 54-52-23, 54-52.1-08.2, 54-52.6-23)

Adopt a procedure for identifying measures and proposed measures mandating health insurance coverage of services or payments for specified providers of services. (NDCC § 54-03-28(4))

Review legislative measures and proposals affecting public employees retirement programs and health and retiree health plans. (NDCC § 54-35-02.4)

Reports

Receive an annual report from the Retirement Board regarding the contributions necessary, as determined by the actuarial study, to maintain the retirement fund's actuarial soundness. (2023 House Bill No. 1040 § 9) (NDCC § 54-52-06)

Receive an annual report from the Retirement Board regarding the status of the defined contribution retirement plan under Chapter 54-52.6. (2023 House Bill No. 1040 § 29) (NDCC § 54-52.6-22)

Receive notice from the Board of Trustees of the Teachers' Fund for Retirement of necessary or desirable changes in statutes relating to the administration of the Teachers' Fund for Retirement fund. (NDCC § 15-39.1-05.2)

Receive an annual report from the Board of Trustees of the Teachers' Fund for Retirement regarding annual test of actuarial adequacy of statutory contribution rate. (NDCC § 15-39.1-10.11)

Receive notice from firefighters relief associations of the association's intent to provide a substitution monthly service pension. (NDCC § 18-11-15)

Receive periodic reports from Human Resource Management Services on the implementation, progress, and bonuses provided by state agency programs to provide bonuses to recruit or retain employees in hard-to-fill positions. (NDCC § 54-06-31)

Receive a biennial report from the Office of Management and Budget summarizing reports of state agencies providing service awards to employees in the classified service. (NDCC § 54-06-32)

Receive a biennial report from the Office of Management and Budget summarizing reports of state agencies providing employer-paid costs of training or educational courses to employees in the classified service. (NDCC § 54-06-33)

Receive a biennial report from the Office of Management and Budget summarizing reports of executive branch state agencies paying employee membership dues for professional organizations and membership dues for service clubs when required to do business or if the membership is primarily for the benefit of the state. JUDICIARY COMMITTEE

(18 members)

Duties and Studies

Statutory and constitutional revision.

1341 § 1 Study those provisions of the North Dakota Century Code that place restrictions on carrying firearms and dangerous weapons. The study must include an examination of the state's current firearm and weapon possession prohibitions as compared to the nation's historical regulations and restrictions on the time, place, and manner in which firearms and dangerous weapons may be restricted. The study must include an assessment of recent federal court cases relating to firearm restrictions, including public carry, and an examination of the definition of a dangerous weapon and whether the current definition of a dangerous weapon should be maintained, narrowed, or expanded. The study must include input from the Attorney General, the Superintendent of Public Instruction, a representative of the North Dakota University System, and representatives of the Supreme Court, the Association of Counties, the League of Cities, the State's Attorney Association, the Commission on Legal Counsel for Indigents, the Peace Officers Association, and an association or organization with an interest in firearm legislation.

2304 § 6 Study statewide charitable gaming comprehensively. The study must include input from the Attorney General, stakeholders from large and small charitable organizations, local political subdivisions that authorize sites, gaming equipment manufacturers and distributors, gambling addiction counselors, and other industry leaders. The study also must include an evaluation of the economic impact of charitable gaming on the state in urban and rural areas; an evaluation of gambling addiction and treatment services currently available; an evaluation of the civic benefit of charitable gaming to the communities most closely related to the gaming sites; an evaluation of how site authorization is approved and renewed, including whether charities have equitable access to sites; an evaluation of the gaming tax structure; an evaluation of public support for charitable gaming; an evaluation of statewide local restrictions placed on charitable gaming; an evaluation of gaming expansion; an evaluation of site locations where gaming is taking place; an evaluation of charitable gaming proceeds and the eligible uses of gaming proceeds, including the percentage of proceeds that may be used for administration; an evaluation of the categories of organizations that are allowed to conduct charitable gaming, including the missions of such organizations; an evaluation of the placement of gaming activity within a gaming site, including electronic pull-tab device placement; an evaluation of the rental rate paid by organizations to alcoholic beverage establishments; and an evaluation of the authority of the Attorney General to regulate alcoholic beverage establishments.

2376 § 1 Study, with the assistance of the North Dakota Commission on Uniform State Laws, the recording practices of local and state law enforcement during custodial interrogations to determine the feasibility and desirability for uniform implementation of recording practices. The study must include the number of law enforcement agencies currently recording custodial interrogations and any policies regarding how the recording of interrogations is conducted; the storage and retention practices associated with recording interrogations; the types of equipment used to record interrogations; the types of locations at which interrogations are recorded; the types of criminal investigations in which interrogations are recorded and the frequency those interrogations are recorded; the current disclosure of recorded interrogations in criminal discovery; best practices and current requirements for the recording of interrogations, including adoption of the Uniform Electronic Recordation of Custodial Interrogations Act; the financial costs associated with the recording of custodial interrogations and implementation of uniform practices; and any barriers to uniform implementation of the recording of custodial interrogations. The Legislative Management may seek the assistance of the North Dakota Commission on Uniform State Laws in the development of recommended policies and procedures.

2278 § 1 Study the laws and procedures relating to courts established under Chapter 40-18. The study must include an examination of the number and geographic location of existing municipal courts; access to municipal court ordinances; jurisdiction of the municipal courts; municipal court judge qualifications and training; transfer of cases to district court; appeal of cases to district court; Supreme Court general oversight of municipal courts; applicability of judicial administrative rules to municipal courts; requirements for recording proceedings in municipal court; and requirements to report information to the Supreme Court on the establishment or abolition of a court, the election, appointment and removal of municipal court judges and clerks, and annual caseload data and annual financial information on the imposition, collection, and disposition of fines and fees.

Reports

JUVENILE JUSTICE COMMITTEE

(13 members)

Studies

1195 § 1 Study, in collaboration with the Commission on Juvenile Justice, the North Dakota Criminal Code to ensure equitable application to youths charged with juvenile delinquencies. The study must include consideration of the desirability and feasibility of a separate juvenile delinquency offense code, whether a separate and unique classification of criminal offenses for juveniles should be created, and which criminal offenses should receive a distinct classification for juvenile offenders, if any. In conducting the study, the Legislative Management and the Commission on Juvenile Justice may seek technical assistance, as appropriate, from the Council of State Governments' Justice Center.

2080 § 6 Study the laws and practices of the child welfare system. The study must include a review of the implementation of the revisions in juvenile court procedures and the new model of practice; the laws, administrative rules, and practices of the foster care and adoption systems; the timeliness of termination of parental rights; the timeliness of permanency; and the availability of resources to support children and families experiencing out-of-home placement or risk of out-of-home placement.

2238 § 1 Study the statewide criminal history record check process. The study may include a comparison between the statewide and nationwide criminal history record check standards, a review of the average processing time of a requested criminal history record check, and an evaluation of methods to improve efficiency and processing times of the statewide criminal history record check process.

3026 Study improving re-entry outcomes for incarcerated adults and youth. The study must include an assessment of current public and private re-entry services, policies, practices, statutes, data, and resource allocation with the goal of identifying opportunities to implement research-based strategies proven to reduce recidivism, improve education and employment outcomes, and maximize resources for the greatest public safety and return on taxpayer dollars. The study also must include an examination of re-entry services in the areas of correctional supervision, employment, job training, housing, transportation, support services, and behavioral health services; levels of collaboration across service systems; and current disparities in re-entry outcomes. The Legislative Management may develop a working group to oversee the study which includes legislators, representatives from nonprofit organizations that assist with re-entry, community members with re-entry experience, and representatives from the Department of Corrections and Rehabilitation, county jails, the Behavioral Health Division of the Department of Health and Human Services, the Supreme Court, job service or business community, adult and postsecondary education institutions, and tribal nations. The Legislative Management may seek technical assistance, as appropriate, from the Council of State Governments' Justice Center or the Crime and Justice Institute.

Duties

(2023 Senate Bill No. 2328 § 1) Establish and provide staffing and administrative services to a school funding task force facilitated by a nonpartisan leadership organization. The Chairman of the Legislative Management may add additional, temporary nonvoting members to the task force, as deemed necessary by the task force chair, to serve without compensation. The task force may include public school administrators or business managers, public school teachers, five members of the Legislative Assembly appointed by the Legislative Management, parents of public school students, representatives from the Department of Public Instruction, a representative from the Governor's office, and a representative from a regional education association. The school funding task force shall review litigation the state was a party to relating to school funding and the resulting implications for school funding models; analyze higher education funding sources to determine whether the sources may be used in whole or in part for the K-12 system; review school payment formulas to determine whether education costs can be equalized across the state; study the size, student population, and economics of school districts and the number of facilities within the district per square mile compared with student population; develop and study sliding-scale models within school districts based on size, student populations, and economics; assess the negative impacts of the current funding formula; study school funding formulas used by other states; determine the benefits of and incentives to promote school district consolidation; review school transportation costs considering location, size, and student enrollment; study high-cost student and special education student costs as those costs relate to the formula weighting factors; and analyze the cost of distance education, comparing the costs of different methods of instruction delivery, including synchronous as compared to asynchronous instruction. The task force may study the funding of school building maintenance and repairs considering location and whether buildings are located in a rural or urban area; and review ending fund balances and analyze how the current funding formula impacts ending fund balances.

TAX RELIEF ADVISORY COMMITTEE

(6 members)

Duties

(2023 House Bill No. 1158 § 5) The Legislative Management shall appoint a legislative tax relief advisory committee, which must consist of three members of the Finance and Taxation Standing Committee of the House of Representatives and three members of the Finance and Taxation Standing Committee of the Senate, appointed by the respective Majority Leaders of the House of Representatives and Senate. The committee shall study tax relief, including income and property tax relief. Based on information provided by the Tax Department, the study must include consideration of historical income and property tax relief provided by the Legislative Assembly, including the estimated and actual fiscal impact of the tax relief; an analysis of the tax relief provided by the 68th Legislative Assembly through individual income tax rate changes, a primary residence credit, and an expansion of the homestead credit, including the estimated fiscal impact for each method of tax relief and the effect of the income tax rate changes on passthrough income related to income reported on K-1 forms and royalty income reported on 1099-MISC forms; options to implement a flat individual income tax rate, including the estimated fiscal impact of the options; options to adjust the individual income tax structure, including the estimated fiscal impact of the options; and an update on the progress of implementing the primary residence credit, including the status of information technology changes and the amount spent on advertising the credit. The committee may consider input from local taxing districts regarding the administration of the primary residence credit and the homestead credit.
